Professional Summary

Certified **PMP® Planning Engineer**, currently pursuing a **Master's in Project Management** and progressing toward the **PMI-SP® certification**, with over 7 years of professional experience. Specialized in working on **TBC (Tatweer Building Company) projects**, with strong expertise in facility management operations, maintenance planning, and performance monitoring. Skilled in developing project schedules, preparing and presenting **daily, weekly, and monthly reports**, and building **KPIs** aligned with IFM contracts to effectively track contractors, supervisors, and engineers. Proficient in leveraging advanced tools such as **Primavera P6, MS Project, Power BI, and Oracle Primavera Unifier** to deliver accurate forecasts, performance dashboards, and actionable insights. Recognized for strong analytical skills, reporting excellence, and ensuring efficient delivery of large-scale facility management projects in alignment with client standards.

Core Competencies

- Project Baseline Scheduling & Forecasting
- Primavera P6 & Microsoft Project
- Delay Analysis & Mitigation Planning
- KPI-Driven Progress Monitoring
- Cost & Resource Optimization
- Stakeholder Communication & Reporting
- Maintenance Planning (Facilities & Infrastructure)
- MS Excel, Power BI Dashboards

Professional Experience

Planning Engineer

Omran Advanced Engineering Consultants

Hail, KSA

May 2025 – Aug 2025

- Developed and maintained baseline schedules for over 2000+ buildings under FM/IFM contracts for **TBC**.
- Designed and issued **daily, weekly, and monthly reports** using Excel and Power BI to support decision-making and performance tracking.
- Built and monitored **KPIs for contractors, supervisors, and engineers** in alignment with IFM contract requirements.
- Coordinated and tracked **site visit plans for contractors and consultant** across multiple regions.
- Utilized **Oracle Primavera Unifier** for project monitoring and reporting automation.

Planning Engineer

Water and Power Projects Contracting Co.
Taif, Saudi Arabia
Aug 2024 – Apr 2025

- Developed and maintained baseline schedules for an infrastructure project (water storage station) under **MODON**.
- Prepared and updated recovery plans to address deviations and ensure contractual compliance.
- Monitored execution and **issued weekly and monthly reports** highlighting progress and performance KPIs
- Coordinated schedule updates with site teams to ensure alignment between planned and actual execution.
- Conducted delay analysis and implemented mitigation strategies minimizing project overruns.
- Developed and presented performance dashboards for stakeholders.-Enhanced schedule accuracy by aligning updates with site execution and procurement realities.

Planning Engineer

Omran Advanced Engineering Consultants
Madinah, KSA
Jan 2024 – July 2024

- Prepared and developed project schedules and ensured timely updates.
- Coordinated planning activities with site survey and technical teams to align execution with schedules.
- Produced progress reports and presented them to management and consultants in line with **TBC** standards.
- Designed and issued **daily, weekly, and monthly reports using Excel and Power BI** to support decision-making and performance tracking
- Supported preparation of technical recommendations and cost estimates aligned with schedule and resource planning.
- Linked evaluation outcomes to planning deliverables and issued KPIs to measure performance.
- Led development of facility maintenance schedules, optimizing resource allocation.-Participated in coordination meetings with clients and consultants to ensure schedule adherence.
- Aligned reporting structure with KPIs and client expectations.

Planning Engineer

,Capital Contracting
Cairo, Egypt
Aug 2021 – Sep 2023

- Planned and tracked a **large-scale residential villas project at Mountain View**, coordinating multi-disciplinary construction activities using **Primavera P6**.
- Developed and updated baseline schedules, ensuring alignment with execution sequences and procurement plans.
- Achieved **15% improvement in execution efficiency** by proactively identifying risks and implementing mitigation strategies.
- Produced progress reports and dashboards for management, providing visibility on schedule adherence and resource utilization.
- Monitored project cash flow and prepared forecasts, ensuring strict compliance with approved budgets.

Junior Planning Engineer EMCO

Consulting, Fayoum, Egypt Aug 2019 – Jun 2021

- Created and maintained integrated master schedules based on WBS.
- Supported variation claims, billing processes, and performance tracking.
- Built strong foundation in P6 and MS Project planning methodologies.

Education

Bachelor of Civil Engineering

City Higher Institute of Engineering and Technology Graduated: June 2019
