

# Syed Sultan

Cyber Security Engineer, Data Engineer, Software Engineer

Saudi Arabia · Riyadh, IQAMA TRANSFERABLE

syedsultan2424@gmail.com

0568316541

## SUMMARY

- Information Science & Engineering graduate with one year of experience as a Cyber Security Analyst.
- Skilled in security monitoring, incident analysis, and basic vulnerability assessment.
- Strong in data management, MS Excel, data analysis, and use of AI tools for productivity.
- Quick learner with good communication skills and a strong analytical mindset.
- Certified in cybersecurity and data-related technologies, committed to continuous professional growth.

## SKILLS

Cyber Security Certification

Data Analytics or AI Tools Certification

Monitoring Security Alerts & Events

Data Management & Documentation

Problem-Solving & Analytical Thinking

Communication Skills (Verbal & written)

## WEBSITES AND SOCIAL LINKS

## EXPERIENCE

### **CYBER SECURITY ENGINEER**

*Jan 2025 — Nov 2025*

Cybanura Technologies pvt Ltd - BANGALORE , KARNATA -INDIA

- **Demonstrated strong professionalism and dedication while working as a Cyber Security Engineer, consistently handling responsibilities with accuracy and discipline.**
- **Delivered effective technical support in cyber security operations, showing solid problem-solving abilities and a good understanding of security principles.**
- **Contributed actively to team objectives with a high level of commitment, reliability, and dependability, ensuring smooth workflow and timely completion of tasks.**
- **Utilized strong interpersonal and communication skills to collaborate efficiently with colleagues and support organizational goals.**

### **INTERNSHIP : AI DEVOPS ENGINEER**

*Aug 2024 — Jan 2025*

ROOMAN TECHNOLOGIES - Mysore , KARNATAKA- INDIA

- Developed predictive analytics tools, increasing system reliability.
- Integrated machine learning models, enhancing application performance.
- Utilized containerization, ensuring consistent environments across stages.
- Enhanced collaboration between dev and ops, improving team efficiency.

### **INTERNSHIP : FULL STACK DEVELOPMENT**

*Sep 2023 — Oct 2023*

TECHNOTUT-SOLUTIONS - MYSORE KARNATAKA INDIA

- Achieved significant user engagement through innovative features.
- Conducted thorough testing to ensure bug-free releases.
- Optimized database queries for improved data retrieval speed.
- Collaborated with cross-functional teams for seamless integration.

Time Management & Task

URDU

KANNADA

## EDUCATION

*MIT MYSORE affiliated to VTU BELAGAVI*

*2021 — 2025*

MANDYA | B.E , INFORMATION SCIENCE AND ENGINEERING

- Graduated with a Bachelor of Engineering in Information Science
- Achieved a CGPA of 8.3/10, ranking in the top 5% of the class
- Published research paper in a national conference on IoT applications
- Completed a Bio-Metric fingerprint project on AI-based data analysis tools
- Completed a capstone project on AI-based data analysis tools

## ACHIEVEMENTS

**ACHIEVED BEST PROJECT TEAM AWARD.**

**SECURED DISTICTION WITH FIRST CLASS IN VTU EXAMS.**

### **PROJECT 1: Gender Classification Using Fingerprint Biometrics**

1. Developed a hybrid CNN-SVM model for real-time gender classification from fingerprint images, achieving high accuracy through deep feature extraction and robust classification using the SOCOFing dataset and Python-based frameworks (TensorFlow, Scikit-learn, Flask).
2. Designed and deployed a web-based biometric application integrating image preprocessing, model evaluation metrics (accuracy, precision, recall), and live fingerprint upload capability, enabling practical use in forensic and security systems

### **PROJECT 2 : WEB PAGE SOFTWARE TESTING**

1. Automated Facebook login functionality testing using Selenium WebDriver integrated with IntelliJ IDEA.
2. Designed and executed detailed test cases to validate login features, input handling, and error responses.

## CERTIFICATIONS AND LICENSES

AI-DevOps Engineer - by ROOMAN TECHNOLOGIES

AI ENGINEER - by SKILL INDIA

STREAMLINES SECURITY - by IBM

FULL STACK DEVELOPMENT - by TECHNOUT SOLUTIONS
