## ABOUT ME

Highly skilled and detail-oriented Surveyor with over 15 years of experience in conducting precise measurements for complex infrastructure projects, including storm-water drainage systems, sewage networks, bridges, and national highways. Adept at using advanced surveying tools such as Total Stations, GPS and AutoCAD to deliver accurate and actionable data. Proven ability to manage challenging terrains, ensure compliance with engineering specifications, and collaborate effectively with multidisciplinary teams. Recognized for enhancing project efficiency and contributing to successful outcomes in high-stakes environments.

## EXPERIENCE
