- **ERP Systems** (SAP)
- AutoCAD, Revit
- MS Office Suite

#### Leadership

- Team Leadership
  - Problem-Solving
  - Resilience & Agility
  - Contingency Management
  - Client & Consultant Liaison
- 

### Professional Experience

**Senior Project Engineer** | Fast Finishing Contracting Co. (CBC Holding) | Mecca, KSA

*Apr 2024 – Present*

*Project: Saudi Third Expansion of the Holy Mosque*

- Manage all on-site finishing operations for this high-profile project, ensuring strict adherence to **safety, schedule, and quality standards**.
- Lead a team of 6+ engineers in **project planning, resource allocation, and subcontractor management**, reducing project delays by **20%** through strategic resource leveling in Primavera P6.
- Oversaw **material procurement and management**, ensuring timely delivery and preventing work stoppages.
- Championed **quality and safety** by resolving **+100 QA/QC non-conformities** and promoting a core culture of safety awareness, achieving **zero major safety incidents**.

**Construction Team Leader Engineer** | Innovo Group (formerly ASGC) | New Alamein City, Egypt  
*Mar 2021 – Mar 2024*

\*Project: Al-Alamein Downtown Extension (Phase 2) – 340,000 m<sup>2</sup>, 24 buildings, \$150M+\*

- Directed end-to-end project management for a \$150M+ project, leading cross-functional teams of 80+ subcontractors and engineers to deliver on schedule with zero major safety incidents.
- Managed **project budgeting and cost control**, tracking expenditures and forecasting to ensure financial objectives were met.
- Reduced rework by **30%** by implementing robust technical query processes and enhancing client coordination.
- Conducted **2,000+ site inspections** to ensure compliance with ISO and OSHA standards, directly contributing to **HSE initiatives** and minimizing risks.

**Senior Civil Site Engineer** | United Engineers Co. | Alexandria, Egypt  
*Dec 2016 – Feb 2021*

\*Projects:

- Marassi Village (EMAAR)
- WEPCO Marine Facilities (\$120M+)
- Construction of the **Al-Mina' Al-Hamra Transformers station in El Al-Alamein city**.
- Construction of **The Oil Refinery Building in Alexandria Factory** for multi seeds and Products in the fourth industrial area in the city of Borg Al Arab.
- **Construction of Mohammed Najeeb Military Base** in Hammam city, Matrouh Governorate.  
 which includes:
  - Construction of a conference hall with 4500 m<sup>2</sup>.

- Construction of a mosque with 2000 m2.
- Construction of a hall of sports games with 2500 m2.
- Construction of officers' clubs in addition to swimming pools.
- Construction of seven football fields.
- Supervised all civil, finishing, and infrastructure works for high-value projects
- Coordinated with architects, engineers, and contractors to implement project plans and timelines, proactively identifying risks and implementing corrective actions.

**Civil Site Engineer** | El-Baafy Co. | Alexandria, Egypt

*Jul 2014 – Nov 2016*

- Managed the construction of a Presidential Conference Hall and 14 residential buildings, delivering the residential project **90% ahead of schedule** through effective site planning and resource management.

---
