

FERAS MAHMOUD ALOQBI

Saudi Arabia | URP.feras02@gmail.com | 053 840 2375

CAREER OBJECTIVE

I aspire to secure a position as an urban and regional planner at a leading company, where I can utilize my analytical, critical thinking, and teamwork skills. Through my internship experience, I have contributed to the preparation of reports, presentations, and design proposals. I seek to advance my career in planning and actively contribute to the development of strategic projects, with a future goal of leading initiatives that improve urban and regional planning standards.
