PROFESSIONAL SUMMARY

Highly accomplished accounting and finance professional with over 12 years of experience in financial management, audit coordination, budget analysis, and tax compliance. Possesses in-depth knowledge of GAAP, IFRS, and Saudi GAAP, with a proven record of ensuring 100% compliance across government and corporate audits. Demonstrated expertise in ERP system implementation, including Onyx Pro, QuickBooks, Peachtree, and 1Audit.com, to optimize operations, reduce reporting time, and improve accuracy. Adept at managing government platforms such as ZATCA, NEOM, and Aramco, delivering seamless regulatory adherence. Recognized for strong leadership in guiding cross-functional teams, aligning financial strategies with organizational objectives, and implementing cost-effective solutions that drive revenue growth and operational efficiency.
