

Abdelrahman Melik

Architect

Experience

- **Intern Architect (AIAA ALAFAQ Company)**
Saudi Arabia, Riyadh. July/2021- August/2021
 - Collaborated with architects to make design decisions.
 - Assisted with technical drawings and rendering projects.
- **Construction site assistant (LLBNA FNOON)**
Saudi Arabia, Riyadh. August/2022 - September/2022
 - Analyzed construction drawings and assisted on making decisions on site.
 - Having strong communication skills and a background in architecture helped me bridge the gap between the architectural vision of the project and the construction reality on site.
 - Managed the site while the site manager was visiting different sites for inspection.
 - Worked in 3 different sites, each in a different stage of construction.
 - Worked with consultants on site to ensure the quality of the construction.
