WORK EXPERIENCE

Safety Officer, NSCC International co., KSA **Dec 2023 – Present**

Project: NEOM / THE LINE (Scope: Piling and infrastructure 37m underground)

- Supervised the safety of 60+ workers on-site, ensuring compliance with PPE/IPPE protocols and proper use of safety gear during high-risk underground operations.
- Conducted ongoing risk assessments and applied lessons learned from past projects to proactively identify and mitigate potential hazards.
- Investigated incidents and near-misses to implement corrective measures and prevent recurrence.
- Promoted compliance with occupational health and safety (OH&S) standards, including ISO 9001 and ISO 14001, through regular inspections and worker engagement.
- Provided on-site guidance and supervision to reinforce safe work practices and ensure adherence to safety regulations across all activities.

Interface Manager, Alkhodari & Sons Co., Dammam/Saffaniah, KSA **Dec 2021 – Dec 2023**

Project: Evacuation and reinforcement (Client: Aramco)

- Achieved 30% reduction in coordination issues by streamlining communication processes and interface management.
- Led and scheduled interface coordination meetings with clients, employer representatives, and affected parties to resolve project obstructions and ensure alignment.
- Maintained regular coordination with government authorities and private sector partners.
- Ensured compliance with conditions set by the Ministry of Transport and Logistic Services, including the implementation of a temporary parallel road while working on intersection.
- Ensured proper installation of warning signs around the work zone.
- Acted as a liaison between Aramco and Japanese Gas Company to facilitate.
