

Saqib Farid

Riyadh, Saudi Arabia (+966505910392) Email: sakib.dec.14@gmail.com

Skilled and reliable appliance technician with over 13 years of hands-on experience in electrical installation, appliance maintenance, and building wiring. Proven expertise in diagnosing faults, conducting preventive and corrective maintenance, and performing safe electrical repairs in residential, commercial, and industrial environments. Adept at material procurement, site supervision, and adherence to safety standards (IEC/NEC). Recognised for technical precision, strong troubleshooting skills, and a commitment to quality service delivery across all project stages.

WORK EXPERIENCE

Sep.2025 - till date **Maintenance Supervisor**
Matlaq Hadi Al Fatih Company, Al Jubail, Saudi Arabia

- Overseeing routine maintenance, troubleshooting, and repair of kitchen appliances, refrigeration units, ovens, dishwashers, and other catering equipment to ensure smooth operations
- Ensuring the catering facility (including storage areas, kitchens, utilities, and dining spaces) is clean, safe, and functioning properly
- Creating and implementing preventive maintenance schedules to reduce equipment breakdowns and extend the lifespan of machinery and tools
- Leading maintenance workers, assigning tasks, monitoring performance, and coordinating with external vendors or technicians when specialized work is required
- Conducting safety inspections and addressing hazards promptly

Apr. 2022– Sep. 2025 **Kitchen Equipment Technician**
Tammimi Global, Neom, Saudi Arabia

- Installed, maintained, and repaired household and industrial appliances, ensuring reliable and safe operation.
- Diagnosed electrical and mechanical faults and implemented corrective actions to minimize downtime.
- Conducted preventive maintenance on kitchen and laundry appliances, extending service life and reducing failures.
- Performed wiring, circuit testing, and component replacements in compliance with safety standards.
- Maintained detailed service logs and coordinated spare parts requests to streamline repair operations.
- Trained and guided junior technicians on troubleshooting practices and safe repair methods

Sep. 2011– Apr. 2022 **Appliance Technician/Domestic Wiring**
Self-Employed Rawalpindi, Pakistan

- Executed complete electrical installations for residential and commercial buildings, including wiring, conduits, and distribution boards.
- Interpreted electrical drawings, blueprints, and load requirements to ensure safe and compliant installations.
- Performed troubleshooting, fault finding, and repair of electrical systems to restore reliable operation.
- Installed and tested switches, sockets, circuit breakers, and lighting fixtures in compliance with IEC/NEC standards.
- Installed, maintained, and repaired home appliances including, washing machines, ovens, and small equipment.
- Delivered projects independently, managing procurement of materials, cost estimation, and on-site execution.
- Ensured strict adherence to safety codes and best practices while maintaining client satisfaction
