

## CURRICULUM VITAE

### MOHAMMED MUJAHEED

#### Planning & Cost Control Engineer

Mobile KSA: +966538108276

Mobile IND: +91 7815968727

Email: [mohdmujaheed7892@gmail.com](mailto:mohdmujaheed7892@gmail.com)

#### CAREER OBJECTIVE

Seeking a challenging career as a Project Control, Planning, Scheduling & Cost control Engineer in a growth oriented and reputed organization, where I can utilize my technical skills and provide a professional service to Employers & Client by applying and honing my knowledge and working in a challenging and motivating working environment.

#### EDUCATIONAL QUALIFICATION

<u>Course</u>	<u>Institution</u>	<u>Board Of Education</u>	<u>Result</u>	<u>Year of Passing</u>
Bachelor of Engineering B.E – Mechanical Engineering	K.B.N College Engineering, Gulbarga	Visvesvaraya Technological University, Karnataka	CGPA-7.89	2022
Diploma in Mechanical Engineering	KCT Polytechnic College, Gulbarga	Board of Technical Education, Bangalore, Karnataka	80.52%	2019
SSLC	Farhaan English Medium High school, Gulbarga	KSEEB board, Bangalore, Karnataka	84.32%	2016

#### SUMMARY

A self-motivated Planning and cost control Engineer with a Diploma and Bachelor's Degree in Mechanical Engineering having Experience to Prepare the Schedule & Budget of the Project & ensure to complete the projects on time with in the budget and monitor the activities accordingly as well as forecasting the project cost to complete & Profitability analysis and have the technique to solve the problems by implementing cost efficient solutions , comparing the progress invoices & calculating the unbilled Revenue of the Project and also analysis the Risk & Opportunities in the project.

#### COMPUTER KNOWLEDGE

- Decent working knowledge of  
(Microsoft Word, Microsoft Excel, Microsoft PowerPoint)
- Primavera-P6, MS-Project & Power BI
- Solid Edge V19
- ERP & Appain system

#### SKILLS

- Forecasting
- Cost Reporting

- Earned Value Analysis
- Profitability Analysis
- ERP Management
- Financial Reporting
- Budgeting
- Cost Flow Analysis
- Good communication skills

## **INTERNSHIP DETAILS**

- I undergone an internship in **Fire & safety training** for 10 days from 19-12-2018 to 29-12-2018 at institute of fire and safety engineering, Khaja colony, Kalaburagi 585104.
- I undergone in training for **Solving Problems using 7 QC Tools** for 2 months from 1-3-2022 to 1-5-2022 from AH Mec.

## **COURSES AND CERTIFICATIONS**

- ❖ Certified diploma in mechanical engineering
- ❖ Certified bachelor's in mechanical engineering
- ❖ Certified Project Planning and Control By using Oracle Primavera P6 & MS Project
- ❖ Certified Six Sigma Green Belt
- ❖ Certificate of Appreciation at Neom- Sindalah Island Project

## **JOB SPECIFIC KNOWLEDGE**

### **Roles & Responsibilities**

- Cost Management & Control:
  - Prepare, monitor, and control the project budget throughout the project lifecycle, aligning Purchase Requisitions (PRs) with the Bill of Quantities (BOQ).
  - Develop and manage project cost breakdown structures (CBS) aligned with the work breakdown structure (WBS).
  - Perform cost estimation, forecasting (Estimate at Completion - EAC, Estimate to Complete - ETC), and profitability analysis.
  - Coordinate with project management teams to finalize the definitive Cost at Completion (CAC) upon project closure.
  - Track, analyze, and report on cost variances between planned budget, actual costs, and earned value.
  - Implement and manage cost control procedures, including the identification and cancellation of unrequired Purchase Order (PO) quantities.
  - Calculate and analyze key performance indicators such as Cost Performance Index (CPI) and Schedule Performance Index (SPI).
  - Manage project cash flow, including tracking progress invoices and verifying/reconciling billed and unbilled quantities between client and subcontractor records.
  - Analyze and manage project risks and opportunities related to cost.
  - Support the tendering department with cost-related inputs.
  - Prepare detailed cost reports and develop concise executive cost summary reports for senior management review.

- Collaborate with the site team to analyze the scope and cost implications of extra works executed.
- Assist in the evaluation and processing of variation orders and claims initiated by others, assessing their cost impact.
- Analyze subcontractor closeout costs to ensure final financial settlements align with contractual agreements.
- Planning & Scheduling (Core Functions):
  - Develop, maintain, and update detailed project schedules (Levels 1-4) using Primavera P6 and MS Project, incorporating resource loading and integrating inputs from various disciplines (Engineering, Procurement, Construction).
  - Establish and manage the project Work Breakdown Structure (WBS).
  - Implement project progress measurement systems (e.g., rules of credit, S-curves) and monitor physical progress against the baseline schedule.
  - Analyze schedule variances, identify deviations, and perform critical path analysis to forecast potential delays.
  - Develop and maintain look-ahead schedules (e.g., 2-week, 4-week) to guide site execution teams.
  - Prepare and propose recovery schedules or mitigation plans in case of delays.
  - Conduct schedule delay analysis to support Extension of Time (EOT) assessments, if required.
  - Track key project milestones and deliverables, reporting on status and potential slippages.
  - Prepare and present comprehensive progress reports (daily, weekly, monthly) detailing schedule performance, forecasts, and critical issues to project management and clients.
  - Maintain and update resource allocation plans (manpower, equipment) and associated histograms.
  - Participate actively in progress review meetings and coordinate closely with engineering, procurement, and construction teams to ensure schedule alignment and resolve planning issues.
- Coordination & Reporting:
  - Actively participate in project meetings, coordinating with internal departments (Engineering, Procurement, Construction, QA/QC, HSE) and external stakeholders (clients, subcontractors) to ensure project alignment.
  - Prepare and distribute regular project reports (progress, schedule, cost) to management and clients.
  - Facilitate clear communication between project teams regarding planning and cost control matters.
  - Maintain essential project documentation related to progress, planning, and cost control.

## **WORK EXPERIENCE**

- ❖ Company : Nesma & partners contracting Co.  
 Client : Neom  
 Project : NEOM (Connector, Oxagon & Sindalah) Current - Trojena  
 Position : Planning & Cost Control Engineer  
 Period : 5-February-2023 – Present (2.5+ Yrs)
- ❖ Company : Newton Engineering & Construction Ltd  
 Client : Indian Oil Corporation Ltd.  
 Project : Haldia Refinery – VDU and FCCU  
 Position : Assistant Planning Engineer  
 Period : 12-January-2021 to 30-September-2022 (1.8 Yrs)

❖ Company : Gopinath Engineering Pvt Co.  
Client : Reliance Industry Limited  
Project : Vacuum Gas Operation Hydro Treater-1 & 2  
Position : Junior Planning Engineer  
Period : 10-July-2019 to 30-December-2020 (1.5 yrs )

### **PROJECT HANDLING EXPERIENCE**

- ❖ Shutdown\turnaround maintenance Project of vacuum gas operation of hydrotreater (VGOH)-1 & 2 in Reliance Refinery industry Jamnagar, Gujarat, India.
- ❖ Shutdown\turnaround maintenance Project of Sulphur unit (SU) & Crude Distillation Unit (CDU) in Reliance Refinery Industry Jamnagar Gujarat, India.
- ❖ Shutdown\turnaround maintenance Project of fluid catalytic cracking unit (FCCU) & vacuum distillation unit (VDU) in Indian Oil Corporation Haldia Refinery, West Bengal, India.
- ❖ Shutdown\turnaround maintenance Project of piping, painting & insulation in Indian Oil Corporation Haldia Refinery, West Bengal, India.
- ❖ Connector & Oxagon Project (Early Earthwork Excavation, Fence & Road Work), NEOM, Saudi Arabia.
- ❖ Sindalah Island Project (Structural, Substructure, Superstructure & MEP Works) NEOM, Saudi Arabia.
- ❖ Currently serving for Trojena D-13 Road widening project. NEOM, Saudi Arabia.

### **PERSONAL INFORMATION**

Name : Mohammed Mujaheed  
Father's Name : Mohammed Omer  
Date of Birth : 16-06-2000  
Nationality : Indian  
Passport No. : W0026253  
Date of Issue : 08/04/2022  
Date of Expiry : 07/04/2032  
Place of Issue : Bangalore, Karnataka, India  
Religion : Muslim  
Marital Status : Single  
Sex : Male  
Languages Known : English, Hindi,  
Iqama : Transferrable

### **DECLARATION:**

I hereby declare that the above information is true and correct to the best of my Knowledge and belief.
