Experience

- **2024 - 2025**
Saudi Tashyeed Co.
Project Coordinator | Saudi national guard housing project
supported the project managers by handling administrative tasks, scheduling, communication, meeting with stakeholders and subcontractors, ensured documentation to keep projects on track. Managed timelines, budgets, and resources efficiently, acted as a key liaison for teams, stakeholders and other contractors within the project to facilitate smooth daily operations and deliver project goals.
- **2022 - 2024**
Saudi Tashyeed Co.
Civil QA / QC | Saudi national guard housing project
ensured construction projects meet standards by developing quality plans, inspected materials and workmanship (concrete, steel, earthwork), verified compliance with the specs provided, documented issues, recommended solutions, managed a quality record and ensured project efficiency.
- **2020 - 2022**
SAIF ENGINEERING CONSULTANCY
Project engineer | Residential Development
managed the technical execution of engineering projects, bridging technical details and project management by planning, coordinating, and monitoring tasks, ensuring quality and compliance, and communicating with clients to deliver projects on time and within budget.
