Civil Engineer with 11 years of experience in site execution, technical office, and project management. Specialized in concrete, finishing, and renovation works, with a proven track record of delivering projects on time, within budget, and to high quality standards in Egypt and Saudi Arabia. Skilled in team leadership, shop drawings, quantity surveying, and cost control, aiming to provide added value to any organization I join.

WORK EXPERIENCE

Senior Site Engineer — Al-Jawf Water Station (Completion & Expansion)

Anchor for Construction — Sakaka, Saudi Arabia

March 2025 – July 2025

- Supervised civil execution works (concrete, blockwork, plaster) according to approved drawings and specs.
- Coordinated daily with subcontractors and labors to ensure productivity and compliance with standards.
- Conducted site inspections, **MIRs, RFIs**, and followed up approvals with main contractor.
- Checked reinforcement and formwork prior to casting; monitored concrete works for quality.
- Prepared daily reports, tracked progress vs. schedule, and escalated issues to project management.
- Assisted in preparing **interim payment certificates (IPCs)** and updating quantity take-offs.
- **Key Achievement:** Completed assigned scope of civil works on time and with zero major NCRs.

Senior Site Engineer (Coral Nursery Project)

Anchor For Construction (**Neom-Tabuk - Saudi Arabia**)

DEC. 2024 – March 2025

- Oversaw execution of **concrete structures** for a specialized Coral Nursery project.
- Ensured work compliance with IFC drawings, project specs, and HSE standards.
- Monitored subcontractors' activities and site progress, resolving technical issues.
- Prepared daily reports, quantity checks, and coordinated inspections with consultant.
- Supported technical office in shop drawings and payment documentation.
- **Key Achievement:** Delivered full civil scope within contract period and to consultant satisfaction.

Senior Site Engineer (Trible Bay Project)

May. 2024 – DEC. 2024

Anchor For Construction (**Wajh-Tabuk - Saudi Arabia**)

- Supervised structural and finishing (**Concrete & Brick**) works for **2 hotel buildings**.
- Reviewed shop drawings, coordinated approvals, and monitored on-site execution.

- Checked reinforcement, formwork, and concrete pours to ensure quality standards.
- Conducted inspections with consultant; managed MIRs and RFIs.
- Prepared daily/weekly progress reports and supported QS team with measurements.
- **Key Achievement:** Achieved timely delivery of structural works for 2 hotels with full consultant approval.
