

# QAISAR KHAN

QC Inspector (RSG Approved)

059-1940831

qaisar.khan8361@gmail.com

Riyadh, Saudi Arabia

## PROFILE SUMMARY

Dynamic and innovative QC Inspector with extensive **9 Years +** experience in quality control and site, I excel in planning and executing tasks with minimal supervision. My commitment to high-quality service is matched by a steadfast focus on health, safety, and environmental standards. Renowned for my ability to tackle complex challenges, I have a track record of adapting and modifying standard techniques and procedures to find effective solutions.

My approach combines meticulous attention to detail with a proactive mindset, ensuring rigorous quality control and project success. I stay ahead of industry trends, applying my creative thinking to enhance processes and outcomes. Passionate about exceeding quality expectations, I am eager to bring my unique blend of skills and enthusiasm to a team that values excellence and innovation in quality assurance.

## AREAS OF EXPERTISE

- Construction Site Inspections | Quality Management | Documentation and Record-Keeping | Field Testing | Inspection Report | Project Documentation | Time Management | Supervisory Experience | Auto CAD | Organization Skill | problem solving |

## CORE SKILLS

- Strong people management skills.
- Problem-solving and strong analytical thinking.
- Excellent planning & organizing skills.
- Flexibility and quick to embrace new concepts.
- Effective work relationships with people from all backgrounds.
- Self-starter with a high degree of business savvy.

## CURRENT WORK EXPERIENCE

### QC Inspector | Saudi Salco Contracting Company |

#### JUNE 2023 - Present

**Projects:** Public Realm Shura Road Landscaping construction -Zones 1-5,7 & ATT (The Red Sea Project)

- Inspected and verified the quality of landscaping materials, such as plants, soil, mulch, stones, and other hardscape elements.
- Ensured that materials met the project specifications.
- Evaluate the health and condition of plants, ensuring they are disease-free and suitable for the project's climate.
- Oversaw the preparation of the site, including grading, soil preparation, and excavation.
- Ensured that site conditions meet the requirements for proper drainage and support healthy plant growth.
- Monitored the installation of landscape elements, including plants, irrigation systems, lighting, and hardscape features.
- Maintained detailed records of inspections, including photographs and written reports.
- Communicated regularly with clients to understand their preferences and address any concerns.
- Provided updates on the progress of the project and address client feedback.

## PREVIOUS WORK EXPERIENCE

### QC Inspector | MAS Contracting Company

#### JUNE 2022 - May 2023

- Executed the specific inspections on materials, equipment and construction/installation activities on site
- Inspected and approved construction materials, including concrete, asphalt, aggregates, steel, and other materials used in road and bridge construction.
- Ensured that materials comply with project specifications and relevant industry standards.
- Conducted regular inspections of the construction site to ensure compliance with approved engineering plans and specifications.
- Oversaw earthwork operations, including cut and fill activities, to ensure proper compaction and grading.
- Monitored the placement and curing of concrete and asphalt pavements.
- Checked for proper mix proportions, thickness, compaction, and finishing.
- Verified weld quality, bolted connections, and adherence to design specifications.
- Maintained detailed records of inspections, tests, and construction activities.
- Verified survey and layout data to ensure that construction activities are aligned with the approved plans.

## QC Inspector | Saudi Arabian Baytur Construction Co. |

Nov 2021 - May 2022

**Project:** MISK Project.

- Planned and scheduled a daily and weekly work report and also a labour report.
- Provided technical advice and solved problems on site.
- Checked plans, drawings and quantities for accuracy of calculation.
- Acted as the main technical advisor on a construction site for subcontractors, craftspeople and operatives
- Coordinated with the other project team members for the smooth execution of the project
- Attended meetings with regards to the progress of the project
- Prepared and maintained the detailed schedule with the Project Manager and Section Managers.

## Civil Engineer | Ghulam Rasool Contractors (GLC)

Feb 2018 - Aug 2021

**Project:** Hydropower Project (Mansehra Pakistan)

- Managed, monitored and interpreted the contract design and specification.
- Day-to-day management of the site, including supervised and monitored the site labor force and the work of any subcontractors.
- Oversaw quality control, health and safety matters on site.
- Investigated and documented incidents, near misses, and accidents, analyzing root causes and recommending corrective actions to prevent future occurrences.
- Prepared reports as required
- Reviewed all the documents and attachments required such as checklist, survey reports, test reports and others

## Civil Engineer | National Logistic Cell

Dec 2015 - Nov 2017

**Project:** DHA Nasir Bagh(Peshawar)

- Day-to-day management of the site, including supervised and monitored the site labor force and the work of any subcontractors
- Prepared reports as required.
- Coordinated with client and got approval before execution of works.
- Attended meetings with regard to the progress of the project.
- Oversaw quality control, health and safety matters on site.
