Jeddah (ID: 2621362355)

Professional Summary

Results-driven Safety Officer with 3+ years of proven experience protecting people, assets, and operations across diverse work environments. Skilled in identifying hazards before they become incidents and implementing practical, cost-saving safety solutions that reduce risks and improve overall site performance. I develop and enforce robust safety policies, conduct detailed risk assessments, deliver high-impact safety training, and lead thorough incident investigations to prevent recurrence. My approach focuses on eliminating operational downtime, reducing injury rates, improving workforce compliance, and ensuring full alignment with local and international HSE standards. Dedicated to building a proactive safety culture, strengthening communication between teams, and maintaining accurate safety documentation that supports audits, insurance requirements, and continuous improvement.

Experience

- ZKB Zahir Khan & Brothers (Safety Officer)** (April 2024 - October 2025)
 - Conducted comprehensive HSE inductions, trainings, and awareness sessions for new and existing employees to ensure full understanding of safety protocols, emergency procedures, and workplace risk controls.
 - Actively participated in internal and external HSE meetings, contributing observations, risk insights, and improvement recommendations to strengthen the overall safety culture on site.
 - Performed routine and pre-work site inspections to identify potential hazards, verify readiness of work areas.
- Garden of life gen Contracting & Landscaping (Safety Officer)** (April 2022 - April 2024)
 - Enforced the mandatory use of Personal Protective Equipment (PPE) and ensured all employees, subcontractors, and visitors adhered to PPE requirements at all times.
 - Assisted project administration and site management teams in controlling and authorizing personnel entry to restricted areas.
 - Verified that all floor openings, elevated platforms, shafts, and edges were properly barricaded or covered to prevent falls.

Education & Certifications

- NEBOSH IGC
 - IOSH 40-HOURS
 - OSHA 30-HOURS
 - FIRE SAFETY
 - FIRST AID
- Bachelor of Studies in English** (October 2021 - July 2025)
AWKUM UNIVERSITY, PAKISTAN

Roles & Responsibilities

- Supported the Project HSE Engineer in planning, coordinating, and executing the project-specific HSE Management Plan, ensuring alignment with company standards and regulatory requirements.
- Promoted a proactive and positive safety culture where employee well-being and environmental protection were treated as non-negotiable priorities across all project activities.
- Identified unsafe acts and unsafe conditions through continuous monitoring and promptly implemented corrective and preventive measures to eliminate hazards and reduce incident risks.
- Ensured power tools, equipment, lifting gear, and machinery underwent regular inspections and were maintained according to company safety standards and manufacturer specifications.
- Maintained high standards of housekeeping across all work zones, ensuring proper cable management, waste removal, and clutter-free pathways to minimize slip, trip, and fall hazards.
- Verified, reviewed, and processed daily Work Permits for critical activities such as Hot Work, Confined Space Entry, Working at Height, and Electrical Work to ensure safe execution.
