## Summary

A dedicated Agricultural Operations Manager with 8 years of hands-on experience specializing in maintenance, pest control, and fertilization management. I excel at leading comprehensive plant health programs, maintaining complex irrigation systems, and managing large-scale landscaping and agricultural projects from start to finish. My core strength lies in leading skilled teams, optimizing resources, and implementing effective strategies to ensure the highest standards of operational excellence and project success.

## Skill Highlights

- \* Technical & Agricultural Skills \* Maintenance Management \* Pest & Disease Control \* Fertilization & Nutrition Management
- \* Irrigation System Design & Maintenance \* Hardscape & Softscape Maintenance \* Plant Health Assessment
- \* Team Leadership & Supervision \* Project Coordination \* Inventory Management \* Data Entry & Reporting
- \* Buvina & Sellina \* Microsoft Office Suite (Excel, PowerPoint)

## Experience
