Site Engineer

Citi Housing

Project: Citi Housing Sialkot, Gujranwala

10 August 2017 – 19 June 2023

Planned and executed work schedules to ensure timely and effective project progression.

- Prepared steel reinforcement shop drawings and layouts in alignment with design specifications.
- Calculated quantities from drawings for material estimation and implementation.
- Supervised skilled labor and managed resources, optimizing site productivity.
- Facilitated meetings with key stakeholders to communicate project progress and resolve issues.

Maintained adherence to project timelines and design specifications for seamless execute.

Site Supervisor

Edifice Construction

Project: DHA LAHORE

01 November 2016– 09 August 2017

- Developed work schedules to ensure consistent shift coverage and maximize productivity.
- Implemented an on-site safety program, training team members to minimize accidents.
- Oversaw personnel safety measures and compliance with workplace safety standards.
- Collaborated with management to meet project deadlines and adhere to set timelines.
- Provided training for new team members on site policies, procedures, and safety protocols.
- Resolved team conflicts, maintaining focus and productivity among workers.

Sub Engineer

DHA LAHORE , Royal Orchard Sahiwal

23 Oct 2014 – 28 Oct 2016

Responsible for identifying, promoting and implementing standards and quality management on behalf of the client.

- Working on the design of surface water detention systems, adoptable public sewerage, pumping stations and rising mains, access roads and SUDS systems.
- Decided the fire hydrant and manhole locations.
- Working on design analysis and hydraulic modeling of sewer systems, as well as reinforced concrete foundations / retaining walls.
- Ensuring each project is in accordance with health and safety legislation.
- Directing tasks to a multi-disciplined team of staff.
- Arranging the planning and scheduling of work.
- Creating Monthly Quality Audits.
- Carrying out pre inspections and also final inspections.
- Carrying out spot inspections on welding, pipe cleanliness, compression fitting installation etc.
- Liaison with engineers, designers, local authorities, contractors and suppliers.

Educations

Diploma of Associate Engineering (D.A.E) - Civil

Government College of

Technology Raiwind Road

Lahore Pakistan | 2010 - 2013

Secondary School Certificate (S.S.C)

Govt Abu Al Khair High School

Shahkot Pakistan | 2008 - 2010

Certifications & Professional Courses

- AutoCAD
- Microsoft Office Suite
- MS Excel
- MS Word

Languages

- English
- Urdu
- Punjabi
