

Mohammad Kalthoum

Nationality: Palestinian | Address: Lebanon | Status: Single

Phone: +961 71 139 145 | Email: mohammadkalthoum2@gmail.com

Date of Birth: 04/09/1997

Education

Bachelor's Degree in Civil Engineering — Near East University (2020)

Professional Experience

Civil Engineer — Danash Contracting and Trading Company (2024 – September 2025)

- Managed civil engineering works across multiple construction sites.
- Prepared structural and architectural drawings and ensured compliance with project specifications.
- Conducted site inspections, monitored progress, and supervised execution activities.
- Coordinated with contractors, suppliers, and stakeholders to ensure timely project delivery.
- Performed quantity surveying, BOQ preparation, and cost analysis.
- Provided technical solutions to site challenges and ensured adherence to quality and safety standards.

Civil Engineer — Youssef Bernawi Engineer (2023)

- Prepared detailed design specifications.
- Integrated site conditions, construction methods, and project phases.
- Conducted site visits and gathered engineering data.
- Coordinated with contractors and stakeholders.
- Provided technical engineering support.

Civil Engineer — Abu Sido Construction (2020)

- Managed and designed construction projects.
- Conducted investigations, feasibility studies, and analysis.
- Created blueprints and cost estimates.
- Resolved engineering issues and mentored staff.
- Monitored project status and safety.

Junior Civil Engineer — Jihaad Abu Sido Construction (2019)

- Assisted in engineering designs and plans.
- Conducted site inspections and assessments.
- Prepared project estimates and compliance reports.
- Liaised with clients and subcontractors.
- Supported project management duties.

Technical Skills

Structural Design & Analysis; AutoCAD Drafting; Site Supervision; Project Planning; Quantity Surveying;

Material & Soil Testing; Construction Management; Blueprint Reading; Reinforced Concrete Design; Infrastructure Engineering; Geotechnical Assessment; Surveying; QA/QC; Safety & Risk Management

Computer Skills

AutoCAD; Microsoft Office; Engineering Documentation; Survey Map Interpretation

Languages

Arabic — Fluent | English — Fluent | French — Basic

Personal Skills

Communication; Problem Solving; Time Management; Team Collaboration; Creativity
