### Senior Technical Office Engineer

Jeddah, Saudi Arabia | Egyptian | +966533527904 | +201033000643 | [eng\\_ali\\_hassan@live.com](mailto:eng_ali_hassan@live.com)  
| [www.linkedin.com/in/alihelkellenypmp](https://www.linkedin.com/in/alihelkellenypmp) | 17-5-1989 | Completed Military Service

## CAREER SUMMARY

---

To leverage more than 13 years of experience in Architecture Engineering, with a proven track record in Egypt and Saudi Arabia, to lead and inspire high-performance teams in delivering innovative and sustainable architectural solutions. I am committed to driving excellence in design, technical expertise and project management while fostering collaborative relationships with clients, stakeholders and industry professionals. My goal is to contribute significantly to the growth and success of organizations by delivering exceptional architectural outcomes that exceed expectations.

## WORK EXPERIENCE

---

**Senior Technical Office Engineer** | May 1, 2023 – Present

**Modern Building Leaders (MBL) Stone Division – USC** | Saudi Arabia

### Projects:

ADF - Royal Projects.

Privet Royal Palaces.

KSP – King Salman Park.

Jeddah Opera House.

### Responsibilities:

- Review and study project documents (Specifications, Drawings, Bill of Quantities (BOQ), Cut Sheets, etc.)
- Manage the architecture technical office team's tasks and mentor them in solving problems and unclear issues to achieve the project goals.
- Study and prepare RFIs for all missing, unclear, conflicting, or other matters that may arise during construction.
- Participate in solving any unexpected technical difficulties and other problems that may arise during construction.
- Prepare and review the required shop drawings and as-built list.
- Monitor and update engineering and procurement logs on a daily basis.
- Coordinate and support the quality control and construction team for mockup approval to proceed in supplying material.
- Check the cutting lists for the stone and marble items before sending them for fabrication.
- Provide top management with periodic reports on the project status.
- Coordinate with the planning team and purchasing team to prepare a procurement plan, baseline and revised schedule.
- Manage and handle kick off meetings with the designer and consultant.
- Prepare and review quantity surveys for architectural items and subcontractor invoices.
- Prepare contract requests and purchase orders to maintain the delivery duration.

**Technical Office Team Leader** | July 1, 2020 – April 30, 2023

**Gama Construction** | Egypt

**Projects:**

CFC-Business Park (Business Buildings).
