CAREER OBJECTIVE

Bachelor's in Civil Engineering from Prince Fahd Bin Sultan University, aiming to apply expertise in roads, concrete, and construction management. Skilled in structural design, site supervision, and project coordination, seeking to contribute to infrastructure development and Saudi Vision 2030.

EDUCATION

Bachelor's in Civil Engineering

Prince Fahd Bin Sultan University – Saudi Arabia – Graduation Year: 2025

Education Details:

- Specialized in structural and road engineering.
- Applied civil engineering principles in academic projects.
- Gained experience with AutoCAD, ETABS, and SAP2000.
- Prepared to translate theory into practical engineering solutions.

EXPERIENCE

Cooperative Training – SAGCO Company | NEOM – Trojena

Duration: 2 months

Internship Responsibilities

- Supervised roadworks and concrete construction to meet engineering standards.
- Monitored concrete pouring and applied quality control procedures.
- Prepared daily progress reports and tracked project timelines.
- Reviewed technical drawings and supported design verification.
- Enforced safety standards and site compliance requirements.
- Coordinated with engineers to complete tasks efficiently.
- Gained hands-on experience in infrastructure projects aligned with Vision 2030.

TRAINING COURSES

- English Language Course – Twin Institute – London | Duration: 6 months

SKILLS

Technical Skills:

- Structural Concrete Design
- Road and Infrastructure Construction
- Project Planning and Management
- AutoCAD and Engineering Drawings
- Structural Analysis (ETABS, SAP2000)
- Quantity Surveying and Cost Estimation
- Quality Control and Assurance
- Time and Resource Management

Soft Skills:

- Microsoft Office (Excel, Word, PowerPoint)
- Effective Communication
- Problem-Solving Skills
- Teamwork and Collaboration
- Safety and Compliance Awareness
- Planning and Organization
- Ability to Work Under Pressure
- Analytical Thinking
