Nationality: Pakistani | **Date of Birth:** 05 November 1990

Location: Riyadh, Saudi Arabia | **Iqama ID:** 2544248954

Iqama Status: Transferable | **SCFHS License:** Active (Exp: July 2027)

PROFESSIONAL SUMMARY:

Emergency Nurse with **11 years** of clinical, supervisory & trauma-care experience including **4 years as Head Nurse** in high-volume **Accident & Emergency departments**. Skilled in **triage, trauma care, rapid response, ACLS, PHTLS**, and leading teams of **50+ nurses**. SCFHS-licensed (valid to July 2027), **transferable iqama**, MOH credentialed. Actively seeking a **Staff Nurse / Charge Nurse / Emergency RN** position in Riyadh to contribute to patient safety & improve ER outcomes.

WORK EXPERIENCE:

- ER Staff Nurse** | Twareat Medical Care Company, Al Khobar, Saudi Arabia April 2023 – April 2025
 - Managed comprehensive patient care in a remote clinic, efficiently handling over 20+ emergency cases monthly and maintaining a 95% patient satisfaction rate.
 - Implemented strict infection control protocols, resulting in a zero reported clinic-acquired infection rate during tenure.
 - Conducted thorough patient assessments and utilized clinical documentation systems for accurate EHR/EMR reporting.
- Head Nurse – A&E Department** | Indus Hospital & Health Network, Muzaffargarh, Pakistan
May 2018 – December 2022 (4 Years 8 Months)
 - Leadership & Training:** Led a team of 50+ nurses; identified training gaps and conducted capacity-building sessions that improved team performance by 15%.
 - Operational Efficiency:** Revamped the duty roster system, leading to a 20% improvement in ER patient flow and staff allocation.
 - Quality & Compliance:** Monitored and audited patient care quality, ensuring 100% adherence to infection control policies and hospital standards.
 - Incident Management:** Coordinated the reporting and resolution of clinical incidents to the management team.
- Assistant Head Nurse – A&E Department** | Indus Hospital & Health Network, Muzaffargarh, Pakistan
May 2015 – April 2018 (3 Years)
 - Assisted the Head Nurse in the daily supervision of staff and patient care activities in a high-volume emergency department.
 - Played a key role in patient triage, ensuring critical cases were prioritized and seen promptly according to established protocols.
 - Maintained accurate clinical documentation and ensured compliance with hospital policies.
- Staff Nurse – A&E Department** | Indus Hospital & Health Network, Muzaffargarh, Pakistan
June 2014 – May 2015 (1 Year)

- Provided direct bedside nursing care to emergency patients, including IV therapy, wound management, and patient education.
 - Assisted physicians with procedures and effectively managed patient and family concerns.
- 5. Registered Nurse – Nursing Services Department | Aga Khan University Hospital Karachi, Pakistan**
August 2012 – November 2013
- Safely administered medications and provided individualized nursing care to a diverse patient population.
 - Educated patients and families on disease management, treatment plans, and post-discharge care.
