

MOHAMED HASSAN NABWE

Occupational Health, Safety & Environment Professional (Engineer, Officer, Manager)

✉ Mohamed.nabwe199@gmail.com 📞 +966 573585956 | +20 1113153159 🏠 Dammam, Saudi Arabia

📅 October 7, 1989 🇪🇬 Egyptian

Results-driven Occupational Health and Safety Professional (Engineer, Officer, and Manager) with over 13 years of experience across construction, industrial, logistics, and electrical sectors in Egypt and Saudi Arabia. Skilled in developing, implementing, and managing HSE management systems, conducting comprehensive risk assessments, and ensuring full compliance with ISO 45001, NEBOSH, OSHA, and Aramco standards. Demonstrated expertise in incident investigation, training and supervision of safety teams, and promoting strong safety culture across all levels of operation. Experienced in heavy lifting operations, confined space entry, journey management, and emergency response planning. Proven track record in reducing incidents, enhancing safety performance, and achieving zero-accident milestones in major projects. Strong ability to align organizational objectives with international safety standards while maintaining a proactive approach to risk management.

Work Experience

Aug 2025 - Present

■ Safety Manager

Land Transport Logistics Co., Saudi Arabia
