

# Osama Mohamed Abd El Monem

Project Manager | P M P ® Certified

Dammam, Saudi Arabia

+96650 868 1791

Osama.abdelmonem91@gmail.com

## Summary

---

Results-driven Project Manager with +11 years of experience in construction and infrastructure projects, specializing in concrete, finishing works, utility installations. Proven expertise in project planning, resources allocation, cost control, and QA/QC compliance. Adept at interpreting IFC drawings, technical specifications, and Method Statements (MOS). Certified Project Management Professional (PMP®) with a strong track record of delivering projects on time and within budget for clients like Eastern Province Municipality and NSPO.

## Experience

---

### Project Manager

*Leader Investment Group, Dammam, Saudi Arabia*

*Mar 2024 — Current*

Project: Urban Streetscape Enhancement Landscaping Works.

- Overseeing all aspects of construction, ensuring adherence to design specs, execution and safety.
- Coordinated subcontractors and optimized resources allocation to meet tight deadlines.
- Conducted daily inspections to align with ITP (inspection and testing plans).

### Senior Site Engineer

*EL Shariq Company, Dabaa Axis, Egypt*

*Feb 2022 — Feb 2024*

Project: New Delta Water Constructions (pump station, four basin intakes), Canal Lining and Roads.

- Managed project operations, preparing budget, closing deals with suppliers, hand over all items to consultant.
- Led QA/QC audits, ensuring compliance with client specifications and minimizing rework.
- All civil works for laying HDPE pipes network for the irrigations of 18 thousand acres.

### Site Engineer

*El-Masrawya Company, New Ismailia, Egypt*

*Dec 2019 — Jan 2022*

Project: Construction of 10 Housing Building.

- Supervised civil works, achieving zero safety incidents over 25 months.
- Streamlined material procurement, cutting down time by 20%.

### Site Engineer

*El Giza Association, New Ismailia, Egypt*

*Oct 2016 — Nov 2019*

Project: Construction of 30 Housing Building.

- Managed building constructions, ensuring 100% compliance with architectural drawings.

## Education

---

Bachelor of Civil Engineering, Project Management, EL Arish City, 2009 — 2014  
The Higher Institute of Engineering & Technology

Grade: Very Good

Project Evaluation: Project Management (Grade: Very Good)

## Skills

---

- Project Management
- Project Planning & Scheduling
- Budget Control & Cost Reduction
- Quality Assurance & Quality Control
- Risk Assessment & Mitigation
- Leadership & Team Coordination
- Problem Solving & Decision Making
- AutoCAD & Sap 2000
- Primavera P6
- Microsoft Office

## Languages

---

- Arabic
- English

## Certifications and Licenses

---

Project Management Professional (PMP®) | PMI | Jun 2025 – Jun 2031 | License #4127905

Risk Management Professional (RMP®) | PMI | Sep 2025 – Sep 2028 | License #4182676

Saudi Council of Engineers

Egyptian Syndicate of Engineers

## Objective

---

To leverage my PMP certification and decade of engineering expertise to deliver complex infrastructure projects with a focus on innovation, efficiency, and safety while contributing to organizational growth.
