- **Software & Tools:** MS Project, Primavera P6, AutoCAD, Autodesk, MS Office (Excel, Word, PowerPoint).
- **Documentation :** Technical documentation, MOS, ITP, DPR, IR, MIR, As-Built Drawings
- **Lead and execute crash tests** on barriers, terminals, crash cushions, and other roadside safety devices according to EN1317, MASH2016, NCHRP350, and have knowledge of ASTM F2656, ISO 22343, IWA-14, and PASS68.
- 

### WORK EXPERIENCE: 10 Years

#### ALIMAAR ALJADEED CONTRACTING CO | Project Manager

*June 2022 to Present*

- Spearheaded the successful management of large-scale civil engineering projects valued at over 40M, including the New Murabba work order-4 project and Madinah Regional Municipality developments, encompassing both road and building construction.
- Directed all QA/QC activities, ensuring rigorous adherence to project specifications and industry best practices with zero major non-conformances and achieving a 98% first-time inspection pass rate.

- Prepared and meticulously analysed project budgets, schedules, and resource allocation to guarantee the achievement of all project milestones.
- Facilitated seamless coordination with clients, consultants, and stakeholders to secure necessary project approvals and permits in a timely manner.
- Oversaw the preparation and approval of critical project documentation, including Inspection Requests (IRs), Material Submittals, and Method Statements.
- Expertise in Road Safety Systems, including guardrails, crash cushions, end terminals, and barriers.
- Execution of Crash test according to: EN1317, MASH2016, NCHRP350, ASTM F2656, ISO 22343, IWA-14, PAS 68.
- Instrumentation & Data Capture: Sensors, High-Speed Cameras, DAQ Systems
- Knowledgeable in Quality and Compliance standards, including ISO/IEC 17025 and ISO 9001:2015, along with associated documentation.

**HVG INFRASTRUCTURE DEVELOPMENT (P) LTD | Civil Site Engineer**

***Feb 2019 to June 2022***

- Played a key role in the R & R Colony project for Vedanta Limited, contributing to site management, inspection, and supervision for the construction of 250+ residential units.
- Managed the preparation of sub-contractor bills and daily progress reports (DPR), ensuring accurate and timely documentation.
- Effectively coordinated site activities and conducted on-site material testing to maintain quality standards.

**LARSEN & TOUBRO LIMITED | Civil Site Engineer**

***Dec 2015 to Jan 2018***

- Contributed to the B.K.C. Mumbai project, a high-profile development, by performing quantity surveying and preparing Bar Bending Schedules (BBS).
- Assisted senior engineers in project planning and scheduling, gaining valuable experience in large-scale project management.
- Championed site safety by delivering regular toolbox talks and ensuring compliance with safety protocols.

**ADARSHA GLOBAL BUILD PROJECT (P) LTD | Site Engineer**

***May 2015 to Nov 2015***

- Assumed a major role in layout work for the Adarsha Global Project in Bangalore, contributing to the successful execution of the project from the ground up.
- Gained foundational experience in site management, inspection, and supervision, providing a strong basis for a career in project engineering.

**TECHNICAL SKILLS**

**Software:** MS Project, Auto-Cad, Primavera, Adobe Illustrator, MS Office,

**EDUCATION & CERTIFICATION**

- **B. Tech in Civil Engineering** - JNTU Hyderabad 2015
- **ISO 9001:2015 Lead Auditor** - CQI/IRCA Certified 2025
- **Foundation of Project Management** - Coursera (Google)
- **Construction Project Planning and Project Scheduling** – Udemy 2
- **Quantity Surveying Building Estimation with Excel & CAD** - Udemy

- **Project Management Professional - In Progress (Expected in 2026)**

### PERSONAL PROFILE

- Name : **MD AMAN FARIDI**
- Father's Name : Md Ahmad Husain
- Date & Place of Birth : 10.01.1995 / Rasaunk
- Nationality / Religion : Indian / Islam
- Marital Status : Unmarried
- Languages known : English, Urdu, Hindi and Arabic.

### PASSPORT DETAILS

- Passport No. : **P 1260720 (IQAMA/Driving license: 2527190058)**
