SKILLS

- Good English Communication Skill
- Management Skill
- Problem Solving Skill
- Presentation skill
- Analytical Skill

ACTIVITIES

- Power Systems
- AutoCAD
- MATLAB
- Electrical Machines
- Automation
- PLC system

COURSES

- Electrical Installation design for building and facilities (EXEMPLAR for engineering training and crier development).
- Profession Classic Control (EXEMPLAR for engineering training and crier development).
- Industrial Automation System (Based on Delta PLC, HMI, VFD) (EXEMPLAR for Engineering training and crier development).
- Lighting Systems Design (Integrated Learning Training Center).
- Electrical Systems Design (Power Distribution) (Integrated Learning Training Center).
- Low Current (Integrated Learning Training Center):-
 - Fire Fighting System.
 - Sound & public Address System.
 - Telephone System.
 - Data network.
 - CCTV System.
 - Access Control System.
 - A/V Intercom System.
