## EDUCATION

Diploma Major in Electromechanical Engineering  
Riyadh Polytechnic Institute | Riyadh  
2022 – 2024

## SKILLS

### Technical Skills

- Preventive and Corrective Maintenance
- Electrical Troubleshooting
- Panel Wiring & Installation
- Motor Control Systems
- PLC Basics
- Safety Compliance & Lockout/Tagout procedures

### Soft Skills

- Teamwork & Collaboration
- Problem Solving
- Leadership
- Time Management

## LANGUAGES

- Arabic: native language
- English: intermediate

## PROFILE

Electromechanical engineering professional with a robust foundation in electrical systems and over three years of hands-on experience in industrial and event settings. Skilled in electrical troubleshooting, maintenance, and machine operation, with a proven ability to enhance efficiency and uphold high safety standards. My technical expertise is complemented by strong teamwork, planning, and coordination skills, along with adaptability and precision in fast-paced environments. I am dedicated to contributing my diverse skill set and a proactive approach to problem-solving within a dynamic team.

## WORK EXPERIENCE

- Electrical Technician**  
Arabian Waterproofing Industries Company (AWAZEL) | Riyadh | 2023 - 2025
  - Performed electrical installations, maintenance, and repairs on industrial equipment, ensuring optimal functionality and compliance with safety standards.
  - Conducted regular inspections of electrical systems, promptly troubleshooting and resolving issues to maintain production efficiency.
  - Assisted in upgrading and modifying electrical components to improve operational performance and reduce energy consumption.
  - Worked closely with the maintenance team to support seamless production processes and minimize downtime.
- Machine Operator**  
Event Lab company | Riyadh Season | 2023-2024
  - Operated gaming machinery for Riyadh Season events, ensuring all equipment functioned smoothly to provide an enjoyable experience for visitors.
  - Monitored and maintained game machines, conducting routine checks and troubleshooting issues to minimize downtime.
  - Guided visitors in the safe use of gaming equipment, enhancing their experience and ensuring safety compliance.
  - Collaborated with team members to ensure efficient event operations, contributing to a positive and organized event environment.
- Machine operator**  
Arabian Waterproofing Industries Company (AWAZEL) | Riyadh | 2022-2023
  - Operated and maintained machinery to ensure smooth production processes, meeting company standards for efficiency and quality.
  - Performed regular equipment checks and troubleshooting to minimize downtime and enhance productivity.
  - Collaborated with team members to optimize workflow and maintain high output standards in a fast-paced environment.
  - Ensured compliance with safety protocols, contributing to a secure workplace for all team members.
