

CIVIL ENGINEER

Ammar Abdulkader

Saudi Arabia – Khobar | +966510170216 | ammarakader@hotmail.com

SUMMARY

I am an enthusiastic and dedicated Site Civil Engineer with a solid foundation in technical engineering office tasks and planning engineering. My commitment to innovative solutions and excellence drives my motivation to contribute effectively to your team. I aim to support successful project delivery through strong project management, coordination, and continuous development within a dynamic work environment.

EXPERIENCE
