- Experience: 5 Years
- location: Riyadh, Kingdom of Saudi Arabia
- Transferrable Iqama and Immediate Joining

CAREER OBJECTIVES:

Experienced and detail-oriented QC Civil Engineer with 5+ years of expertise in ensuring construction quality, compliance with project specifications, and adherence to industry standards. Holding a Bachelor's degree in Civil Engineering, I have a strong background in performing material testing, site inspections, and quality audits for large-scale infrastructure projects in Saudi Arabia. Proficient in identifying non-conformances, preparing NCRs, coordinating corrective actions, and implementing quality control plans to maintain structural integrity and project excellence. Skilled in interpreting drawings, monitoring workmanship, collaborating with contractors and consultants, and applying safety protocols to ensure reliable and efficient project delivery. Seeking to leverage my technical knowledge and quality management experience to contribute to high-standard and timely construction execution.

EXPERIENCE

Designation	QC Civil Engineer
Project	Residential Villas Double Stories
Company	Bin Dayel Construction Company
Client	Imam Islamic University, Riyadh
Duration	July 2024 – Jan 2026
Location	Riyadh, KSA
Designation	QC Engineer
Project	Dammam Housing Project (Waheet Dammam)
Company	Abyatona Real Estate.
Client	Ministry Of Housing
Duration	May 2023 – June 2024
Location	Dammam, KSA
Designation	QC Engineer
Project	New Abqaiq Central 230/115 KV Overhead Transmission Line
Company	Al Babtain Contracting Company
Client	Saudi Electric Company
Duration	June 2022 – April 2023
Location	Abqaiq, KSA

Designation	Site Engineer
Project	DHA Interchange On Islamabad Expressway.
Company	Q. Con (Pvt) Limited/ Frontier Works Organization (FWO)
Client	DHA, Islamabad.
Duration	April 2022 – June 2022
Location	Islamabad, Pakistan

➤ **EDUCATIONAL QUALIFICATION:**

➤ **Bachelors of Science in Civil Engineering – (4 years)**

(National University of Science & Technology).

➤ **F. Sc Pre Engineering – (2 years)**

(READ Foundation College Bhimber).

➤ **DUTIES & RESPONSIBILITIES:**

- Conduct on-site inspections of civil works, structural elements, and materials to ensure compliance with project specifications, drawings, and Saudi Building Codes.
- Coordinate inspection schedules with consultants, client representatives, and site engineers to ensure timely quality checks.
- Inspect delivered materials to verify compliance with approved Material Submittals and project specifications.
- Identify, record, and issue Non-Conformance Reports (NCRs) and follow up on corrective and preventive actions until closure.
- Maintain detailed records of inspections, NCRs, quality checklists, and site observations in accordance with project QA/QC plans.
- Monitor concrete pouring, slump testing, temperature checks, and cube sampling to ensure quality during structural works.
- Verify that on-site works conform to the latest approved IFC (Issued for Construction) drawings, shop drawings, and method statements.
- Ensure that rebar, formwork, alignment, and finishes meet project quality standards before proceeding to subsequent activities.
- Work closely with QA/QC managers, site engineers, and subcontractors to resolve quality-related issues and implement best practices.
- Ensure that inspection activities are performed in line with Health, Safety, and Environmental (HSE) procedures and project safety plans.
- Conduct inspections of waterproofing, fireproofing, painting, grouting, and other special processes as per project requirements.
- Assist in the preparation, review, and verification of as-built drawings and quality handover documentation.
- Attend client and consultant meetings to discuss inspection schedules, quality issues, and approval processes.

➤ SKILLS:

- Capable of leading diverse teams and making sound, timely decisions under pressure to keep projects on track.
- Works effectively within multidisciplinary teams to achieve shared project goals and resolve on-site challenges.
- Identifies issues quickly and applies practical, innovative solutions to minimize disruptions and delays.
- Maintains strict adherence to deadlines and schedules, ensuring timely completion of tasks and deliverables.
- Prioritizes responsibilities efficiently to balance multiple assignments and meet project milestones.
- Communicates clearly and professionally with workers, clients, and consultants to ensure smooth workflow.
- Quickly adjusts to unexpected changes in project scope, weather, or resources without compromising quality.
- Anticipates project needs and actively works to prevent issues before they arise.
- Carefully reviews drawings, specifications, and reports to maintain accuracy and high standards.
- Demonstrates reliability, independence, and dedication to delivering consistent engineering excellence.

➤ SOFTWARE SKILLS:

- AutoCAD (2d Plans and Elevations)
- Primavera P6/ Microsoft Projects. (Experience in Project Planning and Control)
- Auto Desk Revit (Hand on experience of Schedules and Dynamo)
- Procure (Project Design-Bid-Build Experience)
- QGIS and Google Earth (experience in Survey, worked on Raster and Vector)
- Plan swift (Proficient in markup, document management, and collaboration.
- Microsoft Office 360 (Experience in MS Excel, MS Word, MS Power Point, Visio)
- AI (Experienced in OpenAI ChatGPT, Prompts Experts)

➤ CORE COMPETENCIES:

- Strong interpersonal and communication skills.
- Technical expertise in quality control processes.
- Effective presentation and reporting skills.
- Solid educational and professional background.
- High level of motivation and dedication.
- Attention to detail and accuracy.
- Problem-solving and analytical skills.
- Ability to work under pressure and meet deadlines.
- Team collaboration and conflict resolution.

➤ LANGUAGES

- English: Professional Proficiency – Fluent- (Listening, Reading, Writing, Speaking)
- Urdu: Native
- Arabic: Beginner

CERTIFICATE OF EXPERIENCE

Date: 01/02/2026

Ref No: BDC/QC/CERT/2026-915

TO WHOM IT MAY CONCERN,

This is to certify that **Mr. Israr Hussain** has been an integral part of our engineering team at **Bin Dayel Contracting**. He has served with distinction as a **QC Civil Engineer** from **July 03, 2024 to January 15, 2026**.

During his tenure at the **Imam Islamic University Project** in Riyadh, he was responsible for:

- Implementing QA/QC procedures and ensuring compliance with approved ITP (Inspection and Test Plan).
- Conducting field inspections for civil and structural works, including rebar, concrete, and finishing.
- Managing material inspections (MIR) and verifying that all materials meet project specifications and ASTM/SBC standards.
- Identifying non-conformances (NCR), issuing reports, and verifying corrective actions with the site team.
- Coordinating with third-party laboratories for soil, concrete, and steel testing and reviewing results.
- Maintaining comprehensive quality documentation, RFI logs, and final hand-over dossiers.

Mr. Hussain has demonstrated exceptional technical expertise in quality management and a rigorous approach to engineering standards. We have found him to be a reliable, detail-oriented professional who ensures the highest levels of structural integrity.

We provide this certificate for his professional record and wish him every success in his future career.

EXPERIENCE CERTIFICATE

Date: July 01, 2024

This is to certify that **Mr. Israr Hussain** was employed with **ABYATONA Real Estates** in the capacity of **QC Engineer** from **May 2023** to **June 2024**.

During his tenure, Mr. Hussain was primarily assigned to the **Dammam Housing Project (Waheet Dammam)**. He demonstrated exceptional technical proficiency and high standards in the following areas:

- Quality Inspection & On-site Control Management
- Equipment Testing & Measurement Instrumentation
- Strict Adherence to International Quality Assurance Standards
- Professional Technical Reporting & Project Documentation
- Comprehensive Quality Control for Large-scale Residential Developments

Mr. Hussain has proven to be a diligent, reliable, and technically sound engineer. He maintained an exemplary professional record throughout his service. We recommend him for any future endeavors and wish him success.
