Objective

A motivated Civil Engineering graduate seeking a professional work environment where I can apply my academic knowledge and technical skills, contribute effectively to construction projects, and continue developing my engineering expertise.

Education

Bachelor of Civil Engineering

King Khalid University

GPA: 3.13

Rating: Good

Graduation Year: 2026

Experiences

Cooperative Training Program – Modern Construction Leaders Company

- Exposure to construction project execution stages
- Site supervision and basic engineering tasks
- Compliance with occupational safety regulations
- Working within a multidisciplinary engineering team

Courses & Certificates

Sustainable Energy and Environmental Solutions Conference (SEESC 2025) – King Khalid University:

- Panel Discussion 1: The Future of Energy (Hydrogen, AI, Smart Storage Systems) – 09/12/2025
- Panel Discussion 2: Net Zero Pathways (Carbon Capture & Climate Solutions) – 09/12/2025
- Plenary Session 2: Carbon Capture and Utilization – 09/12/2025
- Plenary Session 3: Recycling Track – 10/12/2025
- Plenary Session 5: Circular Economy & Smart Technologies – 10/12/2025
- Green Hydrogen in Saudi Arabia: Driving the Energy Transition Towards Vision 2030 – 10/12/2025

English course

Professional Accreditation

- Holder of the Professional Accreditation Card from the Saudi Council of Engineers

Skills

- Basic knowledge of civil engineering and construction
- Reading and understanding engineering drawings
- Site supervision
- Knowledge of building materials
- Awareness of occupational health and safety
- Technical report writing
- Teamwork skills
- Time management
- Problem solving
- Quick learner
- Computer skills
- Proficiency in Microsoft Office

Languages

- Arabic: Native
- English: Excellent
