Nationality: Pakistani | Iqama: Transferable

Dear Hiring Manager,

I am applying for a suitable position as a Civil Site Engineer / Civil Supervisor / Civil Finishing Supervisor. I have more than 10 years of professional experience in buildings, civil finishing works, road and asphalt works, bridges, and infrastructure projects across Saudi Arabia, UAE, Qatar, and Pakistan. My expertise includes site supervision, finishing execution, RCC construction, road works, QA/QC inspections, and HSE compliance in line with Saudi standards.

My experience includes supervision of block work, plastering, tiling, painting, gypsum ceilings, waterproofing systems, as well as road subgrade, sub-base, aggregate base course, asphalt laying, compaction, and related QA/QC activities. I am skilled in managing manpower, subcontractors, materials, and daily site operations while coordinating with consultants to ensure quality, safety, and timely project delivery.

Throughout my career, I have successfully managed multiple high-value infrastructure projects including bridge construction, flyover projects, road rehabilitation works, and building finishing projects valued up to USD 50 million. My achievements include reducing rework by 25 percent through early defect identification, implementing quality control procedures that reduced defects by 28 percent, and maintaining 100 percent HSE compliance while reducing construction delays by 35 percent.

I hold a Diploma of Associate Engineering in Civil from Punjab Board of Technical Education and am registered with the Saudi Council of Engineers as an Assistant Technician in Civil Engineering. I am proficient in reviewing drawings, BOQ, and specifications, conducting QA/QC inspections, material approval and testing, and ensuring full compliance with HSE standards and Saudi regulations.

Currently based in Saudi Arabia with a transferable Iqama, I am available for immediate joining. I am confident that my technical skills, leadership abilities, and professional approach will add value to your organization. I would welcome the opportunity to discuss how my experience aligns with your requirements.

Sincerely,

Jamal Zafar
