

MUHAMMAD SHOAIB

Architect | Interior Designer

Location: Riyadh, Saudi Arabia | **Email:** syeddd2244@gmail.com

Phone: +966537174849 | **LinkedIn:** www.linkedin.com/in/syed-shoaib-9ab73620b

SUMMARY

A highly skilled and innovative **Architect and 3D Designer with 5+ years of experience** in residential, commercial, and institutional projects. Proficient in **architectural design, BIM workflows (Revit), 3D visualization, and sustainable design** strategies. Strong ability to coordinate multidisciplinary teams, ensure regulatory compliance, and deliver projects within schedule and budget. Holds a **Bachelor's degree in Architecture** and is dedicated to producing high-quality, client-focused design solutions that meet project objectives and enhance user experience.

CORE COMPETENCIES

- **Architectural Design & Planning** – Conceptualizing and executing functional, aesthetically pleasing spaces.
- **BIM Coordination** – Proficient in Revit for seamless project collaboration.
- **3D Visualization & Rendering** – Advanced skills in SketchUp, Lumion/ Enscape, and Photoshop for photorealistic presentations.
- **Construction Documentation** – Producing detailed drawings (AutoCAD) and material specifications.
- **Project Management** – Overseeing timelines, budgets, and vendor coordination.
- **Sustainable Design** – Incorporating eco-friendly materials and energy-efficient solutions.

PROFESSIONAL EXPERIENCE

Position: Architect/BIM Modeler

ASD Architects – Riyadh, Saudi Arabia | 02/2024 – Present

- Assisted in developing **architectural concepts, detailed drawings, and construction documents**.
- Supported **landscape and hardscape design** to ensure integration with architectural and interior elements.
- Prepared **3D models, renderings, and presentation materials** for client reviews.
- Conducted **site and contextual analysis** to guide design decisions.
- Collaborated with senior architects to refine designs and maintain project quality and standards.
- Contributed to the firm's design library through research and documentation.

Position: Interior Designer

Masco Groups - Riyadh, Saudi Arabia | 09/2022 – 02/2024

- Led interior design for **10+ luxury residential and commercial projects** in the Gulf region.
- Created **custom Revit families** for bespoke interior elements, improving workflow efficiency.
- Managed **project budgets, timelines, and vendor coordination**, ensuring on-time delivery.
- Produced **detailed construction drawings** (AutoCAD) and material specifications.
- Produced **3D visualizations using Lumion and Revit and sketch up** for client presentations and approvals.

Position: Architectural Designer

UNICEF - Peshawar, Pakistan | 01/2021 – 09/2022

- Supported UNICEF in **designing and executing Child Protection Units across Khyber Pakhtunkhwa**.
- Conducted site visits to monitor progress and ensure design compliance.
- Developed **architectural concepts and detailed drawings** per UNICEF standards.
- Created **3D models and renderings** for presentations and approvals.

Position: BIM Modeler - (remote job)

Hayati Designs - Ottawa , Canada | 04/2020 - 01/ 2021

- Collaborated remotely on **residential and commercial projects**, ensuring design quality and consistency.
- Prepared **detailed architectural plans and layouts** aligned with client requirements.
- Produced **high-quality 3D models and realistic renderings for effective design presentations**.

EDUCATION

Bachelor of Architecture

University of Engineering & Technology, Peshawar, Pakistan | 2016-2021

HSSC (FSc Pre-Engineering)

Quaid e Azam Group of schools and colleges Hayatabad, Peshawar, Pakistan | 2014-2016

SOFTWARE/ DIGITAL SKILLS

Revit	<i>Experienced</i>	Lumion	<i>Experienced</i>
AutoCad	<i>Expert</i>	Adobe Photoshop	<i>Experienced</i>
SketchUp	<i>Expert</i>	Sketchup Enscape	<i>Expert</i>

CERTIFICATIONS

- Attained the 2nd position in the esteemed ATT (Analyze Translate & Transform) Architectural Competition
- Best Architectural Design Award – Institute of Architects Pakistan (IAP)
- Green Building Certification
- Zero Carbon Buildings: Solar Technologies – Eco-Koor & Climate Reality Project

KEY ACHIEVEMENTS

- Successfully led **20+ high-end residential interior projects** from concept to completion, delivering innovative space planning solutions that exceeded client expectations
- Reduced client revision cycles by **40%** through advanced 3D visualizations using **Sketchup, Enscape/Lumion and Photoshop**, enhancing design communication
- Cut project costs by **15%** through strategic material and finish selections while maintaining luxury standards
- Developed and implemented **residential design standards** that ensured code compliance while boosting team productivity by 20%

PROFESSIONAL AFFILIATIONS

Pakistan Council for Architects and Town Planners (PCATP)

- Registration No. A-09585

LANGUAGES

- English (Fluent) | Urdu (Native)
