

# IBRAHIM ALDAIF

Civil Engineer

 ibrahem111465@gmail.com

Accomplished Civil Engineer with a proven track record at Gaziantep Universite, adept in construction management and team leadership. Excelled in material cost projection and the use of AutoCAD for design development. Demonstrated expertise in ensuring project compliance and promoting collaboration, significantly enhancing project efficiency and quality.

## Skills

AutoCAD  
AutoCAD drawing  
Construction management  
Drawing review  
Civil engineering  
Team leadership  
Proficiency in concrete construction  
Construction materials  
Stress analysis tools  
Design development  
Material cost projection  
Public works  
Stress analysis  
Structural analysis

## Work History

2020-10 - 2024-07

### **Civil Engineer**

*Gaziantep Universite, Gaziantep, Turkey (Remote)*

- Estimated quantities and material costs during project planning to support budgeting and costing.
- Supervised construction progress on-site, addressing any discrepancies or issues promptly while maintaining safety protocols.
- Monitored execution of contract work for compliance with design plans and specifications.
- Managed subcontractors effectively, promoting collaboration and ensuring adherence to project specifications.

- Collaborated with civil technicians to gather project equipment and update maps, drawings, and blueprints.
- Managed quality assurance and laboratory testing for concreting operations.
- Conducted detailed site investigations to identify potential issues and develop appropriate remediation strategies.
- Analyzed data and used computer simulations to model and test design concepts.
