Address: Al Madinah – KSA

Mobile Number : 00966538046596

E-mail : [mohamedsafwatmohamedali@gmail.com](mailto:mohamedsafwatmohamedali@gmail.com)

### EXECUTIVE SUMMARY

fifteen years experiences (15 years ) in Construction , Concrete works , Pre-cast concrete , Building , housing , Post-Tension , Finishing , roads , Asphalt Roads , asphalt pavement , road construction , Pipeline , Road crossing , Micro tunneling , horizontal directional drilling , HDD , Dewatering , Valve station , Manholes , Finishing works , Fabrication and erection of Steel structure works , Sewage networks , Water supply network , irrigation network , infrastructure , sewage manholes , storm networks , Pumping stations construction , infrastructure networks at national housing company projects , Royal Commission for Jubail and Yanbu projects , municipal and rural affairs projects and General Authority For Drinking Water and Sewage .

Estimate site requirements , manpower , equipment and materials , Analysis data to improve work and achieve QA/QC plan , Handle multiply task , Provide a safe working environment through knowledge of safety rules , Prepare work method statement.

**Software skills:** Auto-cad, SAP, Civil 3D, Microsoft Office.

### ENGINEERING DEGREE

Graduated 2010 – Bachelor Degree in Civil Engineering (ASSUIT University)

### MEMBERSHIPS

Member of Federation of Egyptian Engineers since 2010

Membership of Saudi council of Engineers since 2011

Member of Kuwait society Engineers (KSE) No. 27881. (Engineering degree certified) since 2017

## GOVERNMENTAL ENTITIES

### EGYPT

Ministry Of Housing Utilities & Urban Communities

Central Agency for Reconstruction

General Authority for Drinking Water and Sewage

MINISTRY OF TRANSPORT

GENERAL AUTHORITY FOR ROADS AND BRIDGES

### Kuwait

Kuwait Oil Company Field

Kuwait Oil Company (KOC)

Kuwait National Petroleum Company (KNPC)

Kuwait Integrated Petroleum Industries Company (KIPIC)

AL Zour Refinery Project

### Kingdom of Saudi arabia

TRANSPORT MINISTRY

MINISTRY OF MUNICIPAL AND RURAL AFFAIRS

ROYAL COMMISSION

TASNEE PETROCHEMICALS COMPLEX

GENERAL SPORTS AUTHORITY

NATIONAL HOUSING COMPANY

## EXPERIENCES AND PROJEC

- Alkawther Bay company for trading and contracting
- Construction manager
- Jul 2024 to now

- Construction and finishing for villas , surveying work , soil compaction , concrete work , shuttering , reinforcement work , steel fixing , concrete pouring , concrete footing , columns , termite control , masonry work , block work , plastering , skimo coating , ceiling gypsum board , waterproofing , cementitious , membrane , putty coating , primer coating , tiles work , marble work , texture coating for elevations , decoration for main elevations , interlock , curbstone , polyurethane foam , acrylic coating , screed concrete for roof , fence work , mechanical work , electrical work .

#### Project :

Bader villas project, Construction 424 villas for maya real state development and investment co with national housing company at el mokaymen project in al Madinah.

- SAAD SAEED.AL-SAEDI & SONS, KSA
- Senior engineer
- Jan.2024 – Jun24

Construction infrastructure network, sewage network, water supply network, irrigation network, storm network, roads network, Excavation, Backfilling, piping, manholes, bedding, padding, house connection, IC. inspection chambers, HC, hand hole chambers, CB, catch basin, PRD, perpendicular rain drainage , valves chambers, asphalt roads , land scape , soft scape , hard scape , concrete pouring , manholes finishing, steel fixing , shattering , GRB pipes , UPVC pipes , HDPE pipes , concrete pipes, ductile iron pipes , vision welding , asphalt layers , MC , RC , base course , ABC , detour , road marking .

#### Project:

AJDAL JEDDAH , JV AL RAWASI HOLDING with ALINMA BANK in south Jeddah

AL SADAAN SOCIETY , NATIONAL HOUSING COMPANY in south Jeddah

- AL Sarh Holding company , Egypt
- Site manager
- Apr.2022 – NOV .2023

Construction of the Right of way for the highspeed train, Excavation, Backfilling, Sub-ballast layer, Ballast bed layer, Concrete works for Slopes, Drainage trench, Box culvert, Asphalt Roads, and Bridges.

#### Project:

The high speed train project the second line from Cairo to Aswan

- Al dawlya for construction ,Egypt
- site manager

- Mar.2021 – Mar.2022

Establishing and Construction of the Water supply, Irrigation supply, Rain drainage, Sewage, and Roads Networks in addition to leveling the plots of lands. Excavation, trenching, piping, sewer pipes, sand bedding, sand padding, catch basins, backfilling, backfilling layers, leveling, manholes, valves, valve chambers, follow up the technical office engineers, financial extracts and Bills for the company with the owner and the subcontractors, solve the technical problems with the Site engineers and follow up the project work plan and the completion.

**Project:**

Infrastructure project ( sewage , water, irrigation, roads ) for 433 acre in byet el wattan area with new urban communities authority .

- ALGHANIM INTERNATIONAL COMPANY, Kuwait
- Lead engineer
- Dec. 2018 – jan.2021

Construction of Sectionalizing valve station (SVS) Excavation, backfilling works, Concrete work, shuttering works (Doka system), Finishing, water proof isolation works and servicing works. Construction of pipe line Right of way, Survey, trench excavation, bedding, post padding & berm backfilling works. Concrete works for pipe supports, Dewatering works, Steel structure for cross over and platform HDD and Micro- tunneling for shuiaba road (305), road 8 and road 40.

**Project:**

. EF/1669 – KOC Feed Pipelines for New Refinery Project (NRP) (over \$ 1.1 Billion) Under supervision of SAIPEM company and FLUOR company .

- Heavy Engineering Industries & Shipbuilding Co. (HEISCO), Kuwait
- Aug. 2016 – Nov. 2018
- Civil engineer

Construction of pipe line Right of way, Survey, trench excavation, bedding, post padding & berm backfilling works Concrete works for pipe supports, pipe line marker, crash barrier, Steel structure for cross over and platform Asphalt Road and road marking Concrete works for box culvert, corrosion monitoring pits and precast Finishing works, fare face, grout works HDD for road crossing Construction and finishing works for villas, concrete works, masonry works, plumbing, painting, tiles, roof isolation.

**Project:**

. MGT PROJECT (MANIFOLD GROUP TRUNKLINE) SYSTEM FOR THE GC29, GC30 and GC31 in NORTH KUWAIT (Total More than \$ 1.5 Billion), Subcontractor for PETROFAC Co and PMC AMEC

- . Lower Fars Heavy oil (LFHO) in north Kuwait, subcontractor for CCC. And PMC Worley Parsons
- . HOUSING OF KOC IN SOUTH AL AHMADI (136 VILLA), Main contractor for KOC, PMC HSS

- [ALMasaad Co \(SKAMCO\) . KSA](#)
- [Project engineer](#)
- [Mar. 2014– May 2016](#)

Asphalt roads, high way and internal roads Maintenance of Asphalt roads Road marking, sign board Road Light pole post Road bridges Siphons and culvert Road drainage system and Manholes Retaining walls Demolish and explosion of hard soil and rocks.

#### [Project:](#)

- . Construction and maintenance of road between ABHA – ATAYIF
- . Construction, maintenance and lighting of internal roads in ABHA.

- [ALRashid Trading &Contracting Company \( RTCC\) , KSA](#)
- [Project engineer](#)
- [Dec.2012 – Feb.2014](#)

Villas Construction, Haunch footing foundation , columns, Beams, Hollow core slabs, concrete works, carpentry work, masonry works, plastering plumbing, electrical, finishing works painting, tiles, roof isolation.

#### [Project:](#)

- . Construction of 266 villas for TASNEE PETROCHEMICALS COMPLEX. Main contractor for ROUAL COMMISSION.

- [Four corner international \(FCI\), KSA](#)
- [Site Engineer](#)
- [April 2011 -Nov 2012](#)

Excavation works and soil replacement, Concrete works, footing, foundation , columns, precast concrete, Post Tension slabs, Steel Structure, slab for Spots hole, swimming pool, stadium bleachers mosque and main building, Fencing works, Water tanks .

#### [Project:](#)

construction of the Stadium of a cooperation club in the city of Buraydah ALQassim

### [Personal information](#)

Married, 38 years, have driving license , transferable iqama .
