

Mohamed Ahmed Abdallah Shalaby

engmohamedsh@hotmail.com • +966597855044 • Riyadh, Saudi Arabia

SUMMARY

Experienced Project Manager with over 14 years of expertise in managing large-scale construction projects, ensuring timely and budget-compliant delivery. Adept in project planning, cost optimization, and adherence to safety standards. Proficient in SAP, AutoCAD, Civil 3D, and Microsoft Office. Prepared to bring a wealth of experience and a fresh perspective to UCC Holding.

EXPERIENCE

*Alrawaf Contracting Company, **Project Manager***

Feb 2025 - Present

Led the implementation of comprehensive infrastructure works for the Asalah site in Riyadh, managing a project valued at 380 Million Riyals, ensuring timely and budget-compliant delivery.

Worked closely with Khatip & Alami Consulting to develop detailed engineering designs, optimizing project costs and schedules. Made sure everything met local building codes and safety standards, boosting project quality and compliance.

*Alrawaf Contracting Company, **Project Manager***

Nov 2023 - Jan 2025

Managed the construction of foundations and screed for 220 villas, ensuring timely and budget-compliant delivery for an 18 Million Riyals project.

Collaborated with Apg Consulting to develop detailed engineering designs, optimizing project costs and schedules. Ensured compliance with local building codes and safety standards, enhancing project quality and compliance.

*Mafaheem Al 'Amer Constructing Company, **Project Manager***

Jul 2020 - Nov 2023

Directed the construction of an administrative tower with 5 basement floors and 9 top floors, ensuring timely and budget-compliant delivery for a 49 million Riyals project.

Implemented comprehensive construction systems, including shoring, dewatering, structural, architectural, electrical, and mechanical works, enhancing project quality and compliance.

Led project team, managed budget, and allocated resources, achieving project goals and deliverables while maintaining high-quality standards.

*Mafaheem Al 'Amer Constructing Company, **Project Manager***

Aug 2019 - Jul 2020

Led the construction of a residential complex at Musharrafa Hills Compound, managing a project valued at 18 Million Riyals, ensuring timely and budget-compliant delivery.

Collaborated with Depth Consultant Engineering to develop detailed engineering designs, optimizing project costs and schedules. Ensured compliance with local building codes and safety standards, enhancing project quality and compliance.

*National Obeid Contracting Company, **Project Manager***

Jan 2018 - Aug 2019

Led the construction of 40 km water networks and feed lines using ductile and polyethylene pipes, ensuring timely and budget-compliant delivery for a 49 Million Riyals project.

Managed the construction of 3 high tanks (900 m3 capacity each) and 2 ground tanks (10,000 m3 capacity each), optimizing project costs and schedules.

Supervised the installation of 3 pump rooms and site landscape, enhancing project quality and compliance with local building codes and safety standards.

*National Obeid Contracting Company, **Project Manager***

Jan 2017 - Jan 2018

Led the construction of networks for 54 villages in Al-Ardah, totaling 150 km of polyethylene and ductile pipes, ensuring efficient water distribution.

Managed the construction of 3 tanks (capacities: 2500 m3 and 1600 m3), a booster station, and SCADA systems, optimizing project costs and schedules.

Supervised the development of infrastructure including electricity boards, energy buildings, housing guards, chlorine rooms, site landscape, interlock, and asphalt, enhancing project quality and compliance.

*Orascomi Saudi Company, **Civil Engineer***

Nov 2015 - Jan 2018

Led the construction of transit stations and the First Ring Bridge in the expansion of Al Haram Mecca, ensuring timely and budget-compliant delivery, enhancing project quality and compliance.

Directed the implementation of Kadi Transit Station, Marwa Transit Station, and the First Ring Road Construction, optimizing project costs and schedules, and ensuring adherence to local building codes and safety standards.

Managed infrastructure projects at New King Abdulaziz Airport in Jeddah, collaborating with cross-functional teams to develop detailed engineering designs, conducting site investigations, and ensuring compliance with environmental regulations.

*Ostorat EL-Emar for Constructions, **Project Engineer***

Feb 2014 - Oct 2015

Led the construction and finishing of an 8-floor administrative building in Buraydah, ensuring timely and budget-compliant delivery, enhancing project quality and compliance.

Managed the linking of Alashiyab station purification third in Albdia and fifth in Miznb, optimizing project costs and schedules, ensuring adherence to local building codes and safety standards.

Directed the repair of two schools in Taif, collaborating with cross-functional teams to develop detailed engineering designs, conducting site investigations, and ensuring compliance with environmental regulations.

*Slabt Almasharia General Contracting, **Project Manager***

Mar 2013 - Feb 2014

Led the construction and finishing of 13 villas in Faisaliah district, Dammam, ensuring timely and budget-compliant delivery for a project valued at 18 Million Riyals.

Directed comprehensive works including concrete, block, interior and exterior paints, floor, drainage, water, gypsum boards, and electrical works, enhancing project quality and compliance.

Collaborated with cross-functional teams to develop detailed engineering designs, optimizing project costs and schedules, and ensuring adherence to local building codes and safety standards.

*Orascomi Construction Industries Company, **Civil Engineer***

Oct 2011 - Mar 2013

Executed block, plastering, and insulation works for ceramics, bathrooms, roofs, marble, wooden doors, aluminum works, brick works for villas, paints, facades, and gypsum board works, reducing project delays.

Controlled the quality of works at the site, supervised execution, and ensured compliance with standards, improving quality compliance.

Collaborated with consultants to review and amend drawings, ensuring accurate implementation according to the concrete structure, enhancing project quality and compliance.

*General Nile Company for Roads and Bridges, **Site Civil Engineer***

Nov 2010 - Oct 2011

Led the construction and maintenance of Banha Upper Bridge, ensuring timely and budget-compliant delivery, enhancing project quality and compliance.

Directed the construction of El Salam Bridge, including piles and headrests, optimizing project costs and schedules, ensuring adherence to local building codes and safety standards.

Collaborated with cross-functional teams to develop detailed engineering designs, conducting site investigations, and ensuring compliance with environmental regulations.

EDUCATION

Engineering College Alexandria University

*Bachelor's Degree • **Civil Engineering** • 2006 - 2011*

SKILLS

Project Management • Construction Management • Construction Site Inspections • Project Planning • Project Implementation • Civil Engineering • AutoCAD • Autodesk Civil 3D • Microsoft Office • SAP ERP

Membership no.:196916

عضوية رقم:196916

In accordance with the Regulations of Saudi Council of Engineers by Royal Decree M/36 Date 26/9/1423H and the Engineering Professions Practice Regulation by Royal Decree M/36 Date19/4/1438 H. SCE has approved:

المحترمين ،،،

السادة / شركة الأوبيض الوطنية للمقاولات

السلام عليكم ورحمة الله وبركاته،،،

المشروع : الإشراف على مشروع تنفيذ خزانات وشبكات مشاريع المياه بمدينة سكاكا وقراها (بمنطقة الجوف)
الموضوع : بخصوص طلب اعتماد مهندس موقع ضمن الجهاز التنفيذي للشركة .

بالإشارة الى خطابكم رقم ٤٥ / خ . س / ١٤٤٠ هـ بتاريخ ١٦ / ٠٦ / ١٤٤٠ هـ بخصوص طلب

اعتماد مهندس موقع ضمن الطاقم التنفيذي للمشروع المذكور أعلاه .

عليهنفيدكم علماً بأنه لأمتاع من اعتماد المهندس / محمد احمد عبد الله شلبي

(مهندس موقع مقيم للمشروع) على ان يبقى تحت التجربة لمدة لا تقل عن ثلاثة اشهر الى ان يتم اثبات

جديته في العمل.

ولكم تحياتنا،،،،

مدير المشروع الاستشاري

ام احمد سيد محمد
