

AHMED FADULALMOLA MOHAMMEDAHMED

Civil Engineer | 5 Years' Experience

KSA – AL QASIM

[+966 55 606 5077](tel:+966556065077) | Ahmedfadulelmola@gmail.com

SUMMARY

Civil Engineer with extensive experience in infrastructure projects, reinforced concrete works, and irrigation engineering. Proven track record of collaborating with the Ministry of Irrigation and Water Resources on large-scale operations in Sudan. Expert in the design and execution of water canals and industrial plant installations. Highly skilled in structural analysis with a strong commitment to team collaboration and technical excellence in multidisciplinary environments.

EXPERIENCE

Irrigation Engineer, 11/2022-11/2025

Ministry of Irrigation and Water Resources, Al-Gazirah - Sudan

I held various positions in multiple departments in southern Al Jazirah. I demonstrated dedication, commitment, and a strong team spirit, along with a high level of responsibility and professionalism.

Site Engineer, 09/2021-10/2022

Subsidiary Authority for Irrigation Works, Kinana, - Sudan

Ethanol concrete project and installation of the "Sweetbghow" plant

Led multidisciplinary teams to deliver projects on time and within budget, collaborated with stakeholders to align engineering objectives with business needs.

TRAINING EXPERIENCE

Completed a professional training course in Structural Analysis of Reinforced Concrete Structures, organized by the University of Gezira (University Consultancy House) in cooperation with the Faculty of Engineering and Technology. The training covered fundamental principles of structural analysis for reinforced concrete structures and was conducted over 20 training hours from October 22, 2022 to November 21, 2022.

EDUCATION

- **Dip. in Civil Engineering** at Alzaim Alazhari University, Sudan, (12/2020)

SKILLS
