Experience Letter

To whom it may concern,

I am pleased to certify that Mr. Furqan Ullah has been a member of our team as a Site Supervisor. He has completed his tenure of 10 months (From November 2018 to August 2019) here and has resigned due to his relocation abroad. As an employee here, he has shown exceptional leadership and management skills. As a team mate, he is cultured and courteous towards his colleagues.

His responsibilities here included overall site supervision of construction project and also responsible for the Steel Inspection & Quality control with a special emphasis on detection and mitigation of security hazards and to maintain a safe workplace environment. His role was also to motivate and discipline workers about safety rules of the company. He was able to demonstrate excellent results through his apt education and challenge seeking personality. He would surely add value to any organization which he may join next. My best wishes are with him for his bright future.
