Residency: **Jubail, SAUDI ARABIA**  
KSA Transferable **Iqama**  
Mob: **+966 5 47 35 47 32 / +212653137736**  
[Nelson.NsemeObiang@gmail.com](mailto:Nelson.NsemeObiang@gmail.com)

**Construction, Oil & Gas, Renewables EN**  
Driving Licenses: Cars, HGV, International  
Mobility: Domestic, International  
Citizenship: **EU Passport holder**

## SKILLS

### Health Safety and Environment

- First-Aid Trainer approved by INRS
- QHSE Management System:  
*ISO 45001*  
*ISO 14001 - ISO 50001: ICPE/Seveso*  
*ISO 9001*  
*ISO 22000: HACCP*

- Procedures:  
HSE, internal periodic visits, safety standards
- Analyses and risk assessment,
- Permit to Work
- Audits and Inspections
- Prevention, Team Leading

Staff competencies, staff training and staff awareness to the importance of the respect, the enforcement and the mutual monitoring of QHSE internal policy

- Equipment Inspections:  
Physical reviews of vehicles, machinery and construction equipment tracking, fire monitoring equipment, monitoring of the PPE, health and road safety, logistics, operations security

- Monitoring of the conformity of products and services

- Support to HSE Manager:  
Participation in the management and analysis of Incidents/Accidents, Trainings

- Preparation for emergencies and simulated emergency evacuations, drills, MEDEVAC

- Confined spaces, gas detections, SIMOPS, Management of coactivity, ATEX, complex situations, Heavy Lifting

## OTHER QUALIFICATONS

### Languages:

-  : Native
-  : Advanced / Work proficiency
-  : Good
-  : Beginner / Good

IT: Word, Excel, PowerPoint

## FIELD HSE FIRE PROTECTION FIRST-AID TRAINER

(CERTIFIED BY INRS)

## PROFESSIONAL EXPERIENCES

### Since August 2025

#### Health & Safety Consultant

##### ARCELORMITTAL / JESCO – Al Jubayl (Saudi Arabia)

**HSE Advisor**

**SIEMENS GAMESA RENEWABLE ENERGY – Västernorrlands län (Sweden)**

HSE Advisor on Site for the erection of wind turbines (372 MW).

– **Björnberget Project** – 60 x SG6.2-170@135m HH -

### October 2021 – July 2022

**Operations HSE Site Manager**

**VOX PLANNING, INC. - Taza (Morocco)**

Field Project HSE on behalf of EPC Contractor, Eolien Taza Services (EDF Renewable Energies and Mitsui & Co) as part of the construction of 87 MW Taza WindFarm -  
(Phases: BOP/Construction/COD).

– **Taza Project** – 27 x WTG General Electric 3.2M Steel Tower -

### August 2021 – September 2021

**Mobile HSE Animator - South Region**

**MENARD FRANCE – Marseille (13)**

Itinerant HSE animator in charge of the 5 Agencies of the Southern Half of France (Marseille, Lyon, Narbonne, Bordeaux, Nice), within the framework of Soil improvement and reinforcement projects.

### March 2021 – July 2021

**HSE Advisor**

**RWE RENEWABLES**

HSE Advisor for EPC Contractor on site.

– **Saint-Georges-sur-Arnon (FRANCE)** – 11 x N117 / 2400 TS98 NCV TIT50Hz –

### August 2020 – February 2021

**Construction HSE Coordinator**

**VESTAS FRANCE**

HSE Management on Sites for the erection of wind turbines.

– **Bazougeais (FRANCE)** – 4 x V117 – 3.45MW – Mk3a – HH116.5 -

– **Pauvres (FRANCE)** – 5 x V117 – 3.45MW – Mk3a – HH91.5 -

– **Richebourg I and II (FRANCE)** – (22 + 4) 26 x V150 – 4.0MW – HH115 (Preliminary Site Visit) -

– **Lindier (FRANCE)** – 5 x V117 – Mk3e – 91.5HH – 4.2MW (replacement) -

– **Plesidy (FRANCE)** – 5 x V100 – 2,2MW – Mk10d - HH100 –

## February 2020 – March 2020

### HSE Consultant

#### QUALICONSULT SÉCURITÉ – LANDIVISIAU (FRANCE)

In charge of HSE Prevention, HSE Supervision and bring my advice in the framework of the **Sill Project**, Construction of a unit for the production of infant powder milk on behalf of **IDEC Agro**.

## October 2019 – February 2020

### HSE Consultant

#### BUREAU VERITAS EXPLOITATION

\*In charge of HSE Prevention, HSE Supervision and bring my Advice in the framework of wind turbines erection on behalf of **Enercon GmbH** (phases: assembly / commissioning).

\*Preparation and checking of the HSE documentation of the concerned phases of the Project.

– **Aunis (FRANCE)** – 3 x E92 EP2 / BF / 97 / 20 / 05 –

## May 2019 – October 2019

### HSE Site Manager

#### NORDEX FRANCE

Preparation and checking of the all HSE documentation of the Project.

QHSE management and site supervision.

Bring my advice to the erection of wind turbines (assembly and finishing phases).

– **Beausite (FRANCE)** – N131/3600 Delta TS84 (Observer) -

– **Pays d'Anglure (FRANCE)** – 6x N131 - 3,6MW - 114m (Observer) -

– **Riaucourt-Darmannes (FR)** – 3x Delta N131/3600 TS99 + 2x Delta N131/3000 TS99

## September 2017 – April 2019

### HSE Consultant

#### BUREAU VERITAS CONSTRUCTION

– **St-Julien-Du-Terroux (FRANCE)** - 5x MM92-HH93,7

– **Meerhout (BELGIUM)** - 3x 3.0M122

– **Mortemer (FRANCE)** - 5x MM100-HH98,5

– **Echauffour (FRANCE)** - 5x MM100-HH95

In charge of HSE Prevention and bring my consultancy in the framework of wind turbines erection on behalf of **Senvion** (assembly and finishing phases).

– Internal HSE wind training of a newcomer of the HSE team.

– Sites audits:

\*ENERCON (assembly phase) - Champcourt (FRANCE)

\*SIEMENS (civil engineering phase) - Mazurier (FRANCE)

Writing & Submitting HSE reports to board office.

## TRAININGS & CERTIFICATIONS

---

2018 - 2019

FRANCE (Montpellier)

University Degree - Management in Quality Safety and Environment – ESEQ – UNIVERSITÉ MONTPELLIER II

August 2023

FRANCE (E-learning)

CAMPUS APAVE

- Sensitization of workers working in ATEX area

TACTILEO

- H0-B0 (Electrical certification for non-intervening worker)

October 2022

FRANCE (Field Training)

MB FORMATION

- Training of First-Aid-at-Work Trainer (INRS)

October 2022

SWEDEN (E-learning)

AVANTI WIND SYSTEMS

- Operation of Avanti Service Lift Model Shark L02

October 2022

FRANCE (Field Training)

CNPP

Qualified Inspector of portable and mobile fire extinguishers (Ref. CNPP : PR-TECH-MMI-1)

September 2022

SWEDEN (Field Training)

JÄMTHALKA AB

- Winter/Ice Drive Training (Nordic slippery road training certificate)

Jul.22 to Jan.23

FRANCE (E-learning / Field Training)

SIEMENS GAMESA R.E.

Swedish Medical Examination, SE - Information & Cyber Security - General Technical Safety Awareness - Export Control & Customs (ECC) - LOTO Awareness - General Electrical Awareness - Cold Weather - Icing - Water and Soil Protection - Introduction to Enablon - HSE Management: Wind and HSE Principles - Risk Assessment - Quality Management Introduction -

July 2022

PORTUGAL (Field Training)

ONROPE

- GWO (Global Wind Organisation) - Basic Safety Training for Wind Turbines

Modules :

- Work at Height - Rescue at height - Evacuation at height - Use of Rescue kit
- First Aid
- Introduction to Fire Fighting in Wind Turbines
- Gestures and postures

**December 2021**

**360 TRAINING**

**USA (E-learning)**

- OSHA 10 Hours General Industry Outreach

**December 2020**

**OPENR**

**FRANCE (Pauvres)**

- Lift Operator for PowerClimber - Sherpa-SD4 (Sliding Door 4)  
+ Daily Check + Lift Evacuation

**Aug.20 to Mar.21**

**VESTAS**

**FRANCE (E-learning / Field Training)**

- Data Privacy - Customer Relations (Module 6) - Data Privacy - General Awareness (Module 1)
- Data Privacy - Incident Management (Module 2) - 5Whys - Incident Management Process
- Safety Walks Better than Ever - Electrical Safety for Ordinary Electrical Persons
- Compressed Gas Cylinder Safety Awareness - Introduction to Lean - Daily Management
- Fire Prevention Awareness - Hydraulic Safety (US) - Transport Safety Rules and Right Behavior
- Technical Transport of Wind Turbine Blades - Managing Human Error - Working Safe in the Office
- Transport Introduction to handling of wind turbines - Transport Forces and Center of Gravity
- Transport General Road - Transport General Road - Safety Introduction for Technicians
- Basic Fall Arrest Inspection - Confined Space Hazards Awareness -
- Installation and use of Temporary Lifelines

**Sep. 2021**

**OPPBTP**

**FRANCE (E-learning)**

- COVID-19 referent, mission and support tools.

**Juil. – Août 2020**

**CEPS SURVIE**

**FRANCE (Lorient)**

- GWO (Global Wind Organisation) - Basic Safety Training for Wind Turbines

Modules :

- Work at Height - Rescue at height - Evacuation at height - Use of Rescue kits
- First Aid
- Introduction to Fire Fighting in Wind Turbines
- Gestures and postures

**October 2019**

**ENERCON**

**FRANCE (Le Meux)**

- Internal Windturbine Safety Training  
Work at height - Rescue at height - Evacuation at height - Use of Rescue kit

**June 2019**

**NORDEX**

**FRANCE (E-learning)**

- HWS 01 L - (Hailo Wind Systems)  
Operation of ladder-guided service lift TOPlift L + H200 SL-L incl. Daily Check

**Nov. - Dec. 2017**  
**MB FORMATION**

**FRANCE (Labège)**

- Training of First-Aid-at-Work Trainer (INRS)

**June-July 2017**  
**AFPI**

**FRANCE (Dunkirk)**

- UIC ANFAS N1 & N2 - Responsible for the safety of the intervention (AFPI)

**May 2014**  
**ADDAX PETROLEUM GABON**

**GABON (Port-Gentil)**

- HSE Habilitation

**March – July 2013**

**GABON (Port-Gentil)**

**TOTAL GABON**

- Gas Detection
- Permit to Work
- Understanding Risks and Prevention
- HSE Habilitation

**APAVE GABON**

- Reception, Compliance and Audit of Fixed and Rolling Scaffolding
- H0-B0 (Electrical Certification) with UPEGA (Gabonese Oil Union)

**HYDRO OIL & GAS TRAINING**

- HSE Supervisor Certification - Total Gabon
- Harness Wearing, work at height (H.O.G.T)
- Use of the "Rescue Kit" for Work at Height Rescue
- E.F.A.W (Emergency First Aider at Work)

**AEGIDE VISION INTERNATIONAL**

- Root Cause Analysis
- Defensive driving (slow vehicle) off-road 4x4

**January 2013**

**FRANCE (Lyon)**

**CACES B2B SAINT-ALBAN-DE-ROCHE**

- Certificate of Aptitude in Safe Driving (CACES) for Crane (Category 1B) :  
Telescopic Mobile Crane on Carrier (R 383M) + Mobile self-propelled Crane - CACES B2B

**September 2012**

**UNITED KINGDOM**

**RRC TRAINING, WIMBLEDON**

- NEBOSH Level, International Technical Certificate In Oil And Gas Operational Safety  
(Unit IOG1: Management of International Oil and Gas Operational

**PETANS LTD, NORWICH**

- BOSIET (Basic Offshore Safety Induction & Emergency Training)
- HUET (Helicopter Underwater Escape Training)
- Emergency Breathing Systems (EBS)
- E.P.I Unit (First Intervention Team Member)
- OPITO Certification

## January – June 2012 FRANCE (Paris – Lyon – Toulouse)

### APAVE LYON (VENISSIEUX) / PARIS

- ATEX Qualification (Explosive Atmosphere) level 2 - Staff in charge of the Safety of the Intervention
- Interventions in Confined Spaces

### GRETA GARONNE, TOULOUSE (TOURNEFEUILLE)

- Certificate of Professional Qualification of Agent in Prevention and Security
- S.S.I.A.P. 1 (Fire Security Service for Emergencies and Assistance to People)
- FIMO (*Minimum Standard Training Required in truck driving - Transport of goods*)

## INTERESTS

Reading, Personal Fulfillment, Hiking, Sports, Cultural Exchange, Community & Charity Work,  
Traveling: Africa, Europe, America, Middle East & West Indies.
