Valid Driving License

About

Dedicated and certified Health and Safety Supervisor with extensive experience in occupational safety, risk assessment, and incident prevention across construction and industrial environments. Skilled in managing confined space operations, handling toxic and hazardous gases—including carbon monoxide—and implementing OSHA and IOSH safety standards. Proficient in road safety and traffic control measures, committed to promoting safe driving practices and compliance. Possesses strong leadership qualities, effective communication, and the ability to thrive under pressure. Known for teamwork, resilience, and a results-driven approach to ensuring workplace safety and compliance. Holds multiple international certifications and maintains a valid driving license for on-site supervision needs.

Education

Welding Mechanics and Metal Forming Department

Technical Industrial Secondary Education

Skills

- **Confined Space Safety:** Skilled in working safely in confined spaces with awareness of associated risks.
- **Road Safety and Traffic Control Measures:** Extensive knowledge of implementing and monitoring traffic safety protocols to ensure safe site conditions.
- **Hazardous Gas Handling:** Trained in recognizing and dealing with toxic gases, including carbon monoxide.
- **Language Skills:** Good command of English (spoken and written).
- **Time Management:** Efficient organization of tasks with attention to detail.
- **Work Under Pressure:** Ability to remain calm, focused, and productive in high-stress environments.
- **Collaboration:** Respectful and professional interaction with colleagues and team members.
- **Leadership & Teamwork:** Strong capability in leading diverse work teams and promoting a collaborative mindset.
