## SUMMARY

---

Ambitious Civil Engineering graduate with a passion for innovation and sustainable infrastructure development. Adept at integrating modern design tools and emerging technologies to enhance project efficiency and safety. Committed to continuous learning, teamwork, and contributing creative solutions to the future of civil and engineering.

## EDUCATION

---

### King Khalid University

Bachelor's Degree in Civil Engineering, with Second Class Honors | (2021 – 2026)

## EXPERIENCE

---

### Saudi Electricity Company

Engineering Intern – Facilities and Transportation Department |(June 2024 – August 2024)

- Assisted in the supervision and inspection of ongoing civil and infrastructure projects.
- Supported maintenance operations and ensured compliance with safety and quality standards.
- Collaborated with engineers to analyze project data and prepare technical reports.
- Gained hands-on experience in site management and project coordination.

## ACADEMIC PROJECT

---

### Smart Corridor Design to Mitigate Fog and Enhance Sustainable Visibility in the Asir Region

- Designed an innovative smart transportation corridor aimed at improving visibility and reducing fog-related hazards.
- Applied smart sensors, renewable energy solutions, and intelligent systems to enhance road safety and sustainability.
- \* Project recognized as Best Engineering Project in Civil Engineering – 2026 at King Khalid University.

## CERTIFICATIONS & COURSES

---

- Certified Associate in Project Management (CAPM) – PMI
- IOSH Managing Safely
- Fundamentals of Artificial Intelligence – SDAIA (2025)
- Artificial Intelligence Concepts and Advanced Applications – SDAIA (2025)
- Excel for Engineering – ASME, KKU Branch (2024)
- Internal Audit Practitioner (IAP) Training Courses – Morgan International (2024)

## MEMBERSHIPS & ACTIVITIES

---

- Head, Organizing Committee – Student Council (2025)
- Internal Follow-up Officer – Student Council (2025)
- Member, Engineering Club – (2023)
- Member, Student Council – (2023–2024)
- Member, Organizing & Follow-up Committee – ACI, King Khalid University (2025)

## TECHNICAL SKILLS

---

- AutoCAD , Revit , Civil 3D
- Quality Management
- Project Management Process
- Project Management
- Predictive Methodologies
- Integration Management
- Cost Management
- Communications Management
- Business Analysis Framework
- Agile Principles
- Risk management

## SOFT SKILLS

---

- Strong communication and teamwork abilities
- Analytical and problem-solving mindset
- Adaptability and eagerness to learn
- Attention to detail and commitment to quality
- Time management and task prioritization.

## LANGUAGES

---

- Arabic
- English
