@ abdulrehman00786900@gmail.com

OBJECTIVE

Certified Safety Officer with expertise in NEBOSH standards and risk management. Dedicated to maintaining a zero-accident workplace through strict site inspections, hazard identification, and implementing comprehensive HSE policies. Proven ability to conduct effective Toolbox Talks and manage Permit to Work (PTW) systems

EXPERIENCE

01-02-2024 - Go on.

- **Emergency response Team(ERT)**

Saudi co.

I am working in the emergency response team. I mostly work as an assistant to the senior safety officer. I have done the Nebosh safety course and have learned the practical work of a safety officer. Now I should be given the opportunity to fulfill the responsibility of a safety officer on the side.

EDUCATION

2018

- **Aspire college daska**

Intermediate (i. Com)

B

2024

- **Pak Safety solutions lahore**

NEBOSH (National Examination Board in Occupational Safety and Health)
