
Mohamed Osama Elsaied Abdelsalam

Senior Civil Engineer | Project Manager

Location: Western Region, Saudi Arabia

Mobile: [0530098947](tel:0530098947) | Email: mosama9030@gmail.com

PROFESSIONAL SUMMARY

- Result-driven Senior Civil Engineer & Project Manager with over 13 years of extensive experience in infrastructure and urban development across KSA and Egypt. Proven expertise in supervising landmark projects in Madinah and Makkah, including road rehabilitation and Hajj season operational management. Skilled in strategic cost optimization, successfully reducing project expenses by 15% while ensuring 100% compliance with Amana standards and HSE regulations.

CORE COMPETENCIES

- **Project Management:** Strategic planning, scheduling (MS Project), and critical path analysis.
- **Supervision & Compliance:** Ensuring 100% compliance with technical specifications, legal guidelines, and HSE standards.
- **Infrastructure Expertise:** Road rehabilitation, asphalt layers, traffic safety, and urban landscape improvement.
- **Communication:** Excellent teamwork, stakeholder coordination, and decisive decision-making under pressure.

WORK EXPERIENCE

- ❖ **Consultant Engineer– [El-Motamaizon Engineering Consulting Company](#) | Madina, KSA**
Mar 2023 – Present
 - **Project Oversight:** Leading the supervision of major road development and rehabilitation projects, including Ali bin Abi Talib, Omar bin al-Khattab, Khalid bin al-Walid, Saeed Bin Al-Aas and Quba Road.
 - **Urban Enhancement:** Managing visual distortion treatment and urban landscape rehabilitation projects in North and East Medina to align with municipal standards.
 - **Safety & Compliance:** Overseeing road marking and traffic safety implementation, ensuring 100% adherence to technical specifications and safety regulations.
 - **Infrastructure Management:** Supervising the execution of asphalt layers and utility installations for high-traffic intersections, such as the Second Ring Road and Hijrah Road intersection.
- ❖ **Project Manager– [Safar Trading and Contracting Company](#) | Makkah, KSA**
Feb 2019 – Feb 2023
 - **Hajj Season Operations:** Directed urgent field treatments and infrastructure readiness projects in the Holy Sites (Mashaer) to accommodate peak seasonal demands.
 - **Maintenance Leadership:** Managed comprehensive street maintenance operations for North-East and North-West Makkah, coordinating multi-disciplinary technical teams.
 - **Financial & Schedule Control:** Monitored project progress and financial extracts, aligning execution schedules with critical Hajj season deadlines.
 - **Quality Assurance:** Guaranteed high-quality delivery of maintenance works through rigorous inspection of executed quantities and materials.
- ❖ **Consultant Engineer– [Egyptian Company for Investment Road Projects](#) | Egypt**
Jan 2018 — Jan 2019

- **Large-Scale Development:** Supervised the 120km October-Oasis Road development, focusing on paving quality, durability, and traffic safety enhancements.
 - **Strategic Coordination:** Monitored the 70km October-Dabaa axis construction, resolving technical field issues and coordinating between multiple stakeholders.
 - **Quality Control:** Managed the final inspection and quality control processes to ensure accurate implementation before official handover to authorities.
- ❖ **Project Manager – United Company for Contracting & Road Paving | Egypt**
Jun 2015 — Jan 2018
- **Major Infrastructure:** Led the execution of the Dabaa Axis and the June 30th Axis, connecting key routes between Suez and Ain Sokhna.
 - **Flagship Projects:** Managed the construction of the Marine Galala Road and foundational earthworks for the Galala Resort project.
- ❖ **Military Officer-Engineer – Egyptian Armed Forces Engineering Authority | Egypt**
Sep 2012— Jun 2015
- **National Road Network:** Supervised sections of the 210km Regional Ring Road and the rehabilitation of major desert roads (Cairo-Alexandria, Cairo-Ismailia, and Cairo-Suez).
 - **Field Operations:** Directed large-scale excavation, backfilling, asphalt paving, and slope protection works for national-level infrastructure.
-

KEY ACHIEVEMENTS

- **Cost Reduction:** Decreased construction costs by 15% through strategic vendor negotiation and resource optimization.
 - **Operational Efficiency:** Enhanced project delivery timelines by 25% by implementing advanced tracking systems.
 - **Portfolio Management:** Successfully managed projects exceeding 400 Million SAR in value.
 - **Client Satisfaction:** Delivered 12+ projects annually with a 100% satisfaction rate.
-

EDUCATION & CREDENTIALS

- **Bachelor of Civil Engineering – Egypt (MET) (2012).**
 - **PMP Training Course | Preparation for 2026 Certification.**
 - **Member of the Saudi Council of Engineers.**
-

TECHNICAL SKILLS

- **Engineering Software:** AutoCAD 2D, AutoCAD Civil 3D, SAP2000, Primavera P6.
 - **Project Management Tools:** MS Project, Microsoft Office Suite.
 - **Languages:** Arabic (Native), English (Professional).
-

SOFT SKILLS

- Strategic Thinking & Planning
- Analytical Problem Solving
- Time & Task Management
- Communication & Negotiation
- Stakeholder Relationship Management
- Technical Writing & Reporting
- Team Development & Coaching
- Adaptability & Stress Tolerance
