Area of Expertise

- Construction Management
- Land development
- Building Construction
- Infrastructure (Drainage, Road construction & Road surfacing)
- Earthworks / Highways
- Teamwork /Problem solving

Positions Held

- Project Site Supervisor Building
- Project Site Supervisor Road
- Site Supervisor Finishing Work
- Site Supervisor Structure
- Site Supervisor Infrastructure
- Site Supervisor Earth Work & Filling

Countries experienced

- Saudi Arabia (2023 to Present)
- Pakistan (2019-2023)
- Oman (2017 to 2019)
- Pakistan (2011-2017)

Computer Skills

- MS Word/Excel/PowerPoint
- AutoCAD
- AutoCAD Civil3D

Qualifications

- **3 Years Diploma of Associate Civil Engineering**, Lahore, Pakistan

Instrument Using

- All kinds of Levels machines

Contractor Experience:

- SAMA Subcon (KSA) Aug 2025 To Present
- Alsaad General Contractor (KSA)
- Scion Builder (Pak)
- Munir Builder (Pak)
- Imran United Contracting LLC (Oman)
- Al Nasir Enterprises (Pak)
- FABCON Design & Engineering PVT (Pak)
- UN Enterprises (Pak)
- Progressive International (Pak)
-

Projects

Saudia Arabia:

1. Jeddah Central Development Stadium & Surrounding Village
2. KEC Tower at Madina Al Munawara Saudi Arabia

Oman:

1. Extension of 17 SQN Entrance Area RAFO (Royal Air Force of Oman) Salalah
2. Construction of Road & Infrastructure Work s at Salalah Free Zone Adhan A1 Phase Salalah
