## PROFESSIONAL SUMMARY

---

Electrical engineer with 6+ years of experience delivering large-scale infrastructure projects. Strong background in power distribution, substations, lighting, and low/medium-voltage systems, with proven ability to coordinate multidisciplinary teams, meet international standards, and deliver safe, high-quality projects on time and within budget.

---

## WORK HISTORY

---

**SENIOR ELECTRICAL SITE ENGINEER, 02/2022 - 08/2025**  
**TASAWY Company** - Eastern Province, Saudi Arabia

- On-site supervision of electrical works (low voltage and medium voltage) and follow-up work with the Saudi Electricity Company.
- Site supervision on Telecom works with (Integrated Dawiyat, STC and Mobily).
- Prepared and modified drawings, specs, calculations and graphs for complex electrical designs.
- Review and verify electrical shop drawings for accuracy and compliance with design requirements
- Supervise contractors and technicians to maintain quality and project timelines.

**ELECTRICAL SITE ENGINEER, 11/2018 - 02/2022**  
**MESMACK Company** - Eastern Province, Saudi Arabia

- Supervised technicians in installing and maintaining MV, LV systems, overseeing safety and efficiency.
- Designed smart grids and performed smart grid feasibility studies.
- Sourced and procured electrical components, optimizing costs and delivery timelines.
- Developed methodologies for installing temporary and permanent electrical equipment in compliance with safety standards.
- Maintained up to date knowledge on industry-specific codes and government regulations by attending training sessions.

---

## SKILLS

---

- AutoCAD
- Revit
- ETAP
- Microsoft Office
- Project Management Tools
- Oracle
- Material Procurement
- Project Documentation

---

## EDUCATION

---

**Bachelor Of Electronics Engineering (Honors)**

**Infrastructure University Kuala Lumpur – Malaysia**

July 2014 – July 2018

---

## ACHIEVEMENT

---

- Saudi Council of Engineering (2021) Membership number: 793164
- Certificate of completion Electrical shop drawing - 2025
- Certificate of Completion Electrical site engineer - 2025
- Certificate of Completion Lighting Systems - 2025
- Certificate of Completion Low Current - 2025
- Certificate of Completion Power distribution - 2025
- Certificate of Completion Revit - 2025

---

## LANGUAGE

---

- English – Professional Working Proficiency
- Arabic – Native
