Subject: RE: RSG Health & Safety Requirements to Maspero Mobilization at HC01

Classification: Internal

Dear Maspero Team,

As follow up, Mr. Zulqarnain has been approved as Maspero's Safety Manager at HC1. You need to support him to ensure compliance with the RSG H&S requirements. The documents needed are as follows:

- Lifting plan to be reviewed by the RSG Team
- Job Safety Analysis to be reviewed by the RSG team
- Induction record
- General work permits.
- First Aider contact needs to be interviewed by the RSG HS team.

I've attached the H&S contractor requirements along with the necessary documents (mobilization documents). These contractual requirements form the minimum acceptable safety-related administrative standards and are intended to supplement, not replace, the Contractor's own safety programs.

For any support you may need, please don't hesitate to communicate with us.

Regards

Hussain Atif
