ABOUT ME

Results-driven Project Engineer & Site Manager with 4+ years' experience in project management, project planning, team leadership and cost control at NJR GROUP and other firms. Proven track record delivering projects on time and within budget. Eager to bring my skills and commitment to excellence to your team and contribute to your success.

WORK EXPERIENCE

PROJECT ENGINEER (FIT OUT)

MODERN FIRST CO. / Riyadh / Sep 2025 - Dec 2025

- Managed site teams and operations for restaurant fit-out works at King Khalid International Airport Terminals 1 and 4, ensuring strict adherence to project specifications and quality standards
- Coordinated daily with contractors, suppliers and airport representatives to align on progress, resolve site issues and maintain clear communication among stakeholders

PROJECT ENGINEER - SITE MANAGER

NJR GROUP / RIYADH / Oct 2022 - Sep 2025

- managing resources and coordinating stakeholders on high-profile projects (VIA RIYADH, RADISSON OLAYA, King Khalid International Airport).
- Successfully planned and managed all site operations and for multiple projects, exceeding expectations in scope and timeline (King Khalid International Airport: TL1, TL3, TL4, Concourse H).
- Proven experience collaborating with major contractors (BAUMAT, MOBCO, ICRC JV, FIRST FIX, CACCI) and renowned consultants (DAR, EGIS, WSP) on large-scale infrastructure and hospitality projects.

SITE CIVIL ENGINEER

TOWAIQ INTERNATIONAL COMPANY / JEDDAH / May 2021 - Sep 2022

- Supervised all finishing works on a residential villa project.
- Developed and implemented site construction plans.
- Monitored construction progress and resolved any issues.
- Coordinated with contractors, subcontractors, and suppliers.
