

ANEES AHMED

Civil Site Engineer

2019 To Till Now-(06 YEARS)

Professional summary;

My objective is to leverage my experience while continuing to be challenged. I have enough experience working for civil activities. Personally, I have the drive and determination to consistently achieve success as a leader in all of the organizations that I have worked with in the past. I am pursuing a career as a civil engineer to produce best for benefit of the organization. I am self-motivating young man. I've determination. Strength, knowledge, expertise, will power, desire and to stand superior among my fellows and contemporizes. I always try to join new and novel means for the satisfaction of my motives and objectives. I do not follow the beaten track. Once I take a decision I stand by it, I do not look at past I always care for present and make firm and achievable plans for future.
