Objective

Experienced Mining Engineer with a proven track record in optimizing mine operations, improving safety performance, and driving cost effective production, seeking a senior role to lead technical excellence and operational efficiency.

Experience

August 12th 2023 till to date

Senior Assistant Manager Mining • Power Cement Limited, Nooriabad.

Key Duties & Responsibilities:

- * Supervised daily quarry operations limestone and shale, including drilling, blasting, loading, and hauling.
- * Developed and optimized mine plans and production schedules to meet output targets.
- * Ensured safe bench design, slope stability, and operational hazard management.
- * Designed and optimized blasting patterns to achieve desired fragmentation and reduce operational costs.
- * Ensured strict compliance with mining, environmental and occupational safety regulations.
- * Daily Mining & Quality Control coordination about material quality and sampling report analysis.
- * Managed production targets, prepared production and explosive fortnightly reports and operational records for regulatory compliance.
- * Applied cost-control strategies to enhance operational efficiency & resource utilization.
- * Supervised, trained, and evaluated quarry personnel and contractors.
- * Implementation for continuous improvement initiatives.

July 7th to Dec 30th 2022

Quarry Supervisor • Al Futtaim Colas, UAE.

Key Duties & Responsibilities:

- * Supervised daily quarry operations including drilling, blasting, loading, and hauling.
- * Ensured strict compliance with mining, environmental, and occupational safety regulations.
- * Preparation of daily production reports.
- * Supervised, trained, and evaluated quarry personnel.

August 2021 to June 16th 2022

Senior Assistant Manager Mining • Power Cement Limited, Nooriabad.

Key Duties & Responsibilities:

- * Supervised daily quarry operations limestone and shale, including drilling, blasting, loading, and hauling.
- * Developed and optimized mine plans and production schedules to meet output targets.
- * Ensured safe bench design, slope stability, and operational hazard management.
- * Designed and optimized blasting patterns to achieve desired fragmentation and reduce operational costs.
- * Ensured strict compliance with mining, environmental and occupational safety regulations.

- * Daily Mining & Quality Control coordination about material quality and sampling report analysis.
- * Managed production targets, prepared production and explosive fortnightly reports and operational records.
- * Supervised, trained, and evaluated quarry personnel and contractors.

Nov 2017 to July 2021

Assistant Manager Mining • Power Cement Limited, Nooriabad.

Key Duties & Responsibilities:

- * Supervised daily quarry operations limestone and shale, including drilling, blasting, loading, and hauling.
- * Developed and optimized mine plans and production schedules to meet output targets.
- * Ensured safe bench design, slope stability, and operational hazard management.
- * Designed and optimized blasting patterns to achieve desired fragmentation and reduce operational costs.
- * Ensured strict compliance with mining, environmental and occupational safety regulations.
- * Maintaining the Govt schedule registers, mine examination report and machinery inspection report.

Nov 2016 to Nov 2017

Trainee Engineer Mining • Power Cement Limited, Nooriabad.

Key Duties & Responsibilities:

- * Supervised daily quarry operations limestone and shale, including drilling, blasting, loading, and hauling.
- * Ensured safe bench design, slope stability, and operational hazard management.
- * Designed and optimized blasting patterns to achieve desired fragmentation and reduce operational costs.
- * Maintaining the Govt schedule registers, mine examination report and machinery inspection report.
- * Deployment and supervision of earth moving machines.

ACADEMIC QUALIFICATION:

- * B.E Mining Engineering in 2012 in First Division (80.39%),
From Mehran University of Engineering & Technology, Jamshoro.
- * Intermediate Pre-Engineering in 2008, (74%),
From B.I.S.E Mirpur Khas, Sindh.
- * Matriculation in Science in 2006, (80%),
From B.I.S.E Mirpur Khas, Sindh.

CERTIFICATIONS:

PEC: Mining/1438 & Mine Manager Permit Holder from Chief Inspector of Mines Department,
Govt: of Sindh.

COMPUTER SKILLS:

- * Ms office, internet searching data, browsing.

LANGUAGE SKILLS:

English, Urdu, Sindhi & Punjabi.
