SUMMARY

Experienced Project Manager with over 15 years of expertise in managing large-scale construction projects, ensuring timely and budget-compliant delivery. Experienced in project planning, cost optimization, and adherence to safety standards. Proficient in Software Like SAP, AutoCAD, Civil 3D, Primavera P6 and Microsoft Office.

EDUCATION

- ❖ Faculty of Engineering, Alexandria University 2006 — 2011
Bachelor's Degree, Civil Engineering Alexandria, Egypt
- Graduated with Honors, achieving a GPA of 63 %

EXPERIENCE

- ❖ Infrastructure Project Manager, Mohammed A. Al-Harfi Contracting Company Oct 2025
Riyadh, Saudi Arabia
Implementation of The Completion of Stage 1 of Strategic Water Network in Riyadh Project
 - Led the implementation of The Completion of Stage 1 of Strategic Water Network in Riyadh, managing a project valued at 72 Million Riyals, ensuring timely and budget-compliant delivery.
 - Project contains 5 KM Pipes (Carbon steel - ductile) with Dim. (1000 to 1800 mm), Design and Implement Fire Fighting System for B99 Station and implement some Strategic Connections at Strategic Tanks (TGN - TGSW).
 - Collaborated with NWC And Al yard Consulting to develop detailed engineering designs, optimizing project costs and schedules, enhancing project quality and compliance. Ensured adherence o local buiking codes and safety standards, boosting project quality and compliance.
- ❖ Infrastructure Project Manager, Alrawaf Contracting Company Feb 2025 — Oct 2025
Riyadh, Saudi Arabia
The implementation of comprehensive infrastructure works Project - Asalah Site - Riyadh - KSA
 - Led the implementation of comprehensive infrastructure works for the Asalah site in Riyadh, managing a project valued at 380 Million Riyals, ensuring timely and budget-compliant delivery
 - Collaborated with Khatip & Alami Consulting to develop detailed engineering designs, optimizing project costs and schedules,enhancing project quality and compliance.
 - Ensured adherence to local building codes and safety standards, boosting project quality and compliance.

❖ Construction Project Manager, Alrawaf Contracting Company Nov 2023 — Jan 2025
Riyadh, Saudi Arabia

Construction of Foundations and Screenshot for 220 villas Project - Asalah Site - Riyadh - KSA

- Managed the construction of foundations and screed for 220 villas, ensuring timely and budget-compliant delivery for an 18 Million Riyals .
- Collaborated with Apg Consulting to develop detailed engineering designs, optimizing project costs and schedules, enhancing project quality and compliance.
- Ensured compliance with local building codes and safety standards, enhancing project quality and compliance.

❖ Project Manager, Mafaheem Al 'Amer Constructing Company Jul 2020 — Nov 2023
Riyadh, Saudi Arabia

Construction of an administrative tower For NCMS Company - Riyadh - KSA

- Directed the construction of an administrative tower with 5 basement floors and 10 top floors, ensuring timely and budget-compliant delivery for a 49 million Riyals .
- Implemented comprehensive construction systems, including shoring, dewatering, structural, architectural, electrical, and mechanical works, enhancing project quality and compliance.
- Led project team, managed budget, and allocated resources, achieving project goals and deliverables while maintaining high quality standards.

❖ Project Manager, Mafaheem Al 'Amer Constructing Company Aug 2019 — Jul 2020
Riyadh, Saudi Arabia

Construction of a Residential complex at Musharraf Hills Compound - Riyadh - KSA

- Led the construction of a residential complex at Musharraf Hills Compound, managing a project valued at 18 Million Riyals, ensuring timely and budget-compliant delivery.
- Collaborated with Depth Consultant Engineering to develop detailed engineering designs, optimizing project costs and schedules, enhancing project quality and compliance.
- Ensured compliance with local building codes and safety standards, enhancing project quality and compliance.

❖ Infrastructure Project Manager, National Obeid Constructing Company Jan 2018 — Aug 2019
Sakaka City, Aljouf, Saudi Arabia

Construction of Ground and High Tanks include Water Network - Sakaka City - Aljouf - KSA

- Led the construction of 40 km water networks and feed lines using ductile and polyethylene pipes, ensuring timely and budget-compliant delivery for a 49 Million Riyals .
- Managed the construction of 3 high tanks (900 m3 capacity each) and 2 ground tanks (10,000 m3 capacity each), optimizing project costs and schedules.
- Supervised the installation of 3 pump rooms and site landscape, enhancing project quality and compliance with local building codes and safety standards.

❖ Infrastructure Project Manager, National Obeid Constructing Company Jan 2017 — Jan 2018
Al-Ardah, Jizan, Saudi Arabia

Construction of Water networks for 54 villages in Al-Ardah - Jizan - KSA

- Led the construction of Water Networks for 54 villages in Al-Ardah, totaling 150 km of polyethylene and ductile pipes, ensuring efficient water distribution.
- Managed the construction of 3 tanks (capacities: 2500 m3 and 1600 m3), a booster station, and SCADA systems, optimizing project costs and schedules.
- Supervised the development of infrastructure including electricity boards, energy buildings, housing guards, chlorine rooms, site landscape, interlock, and asphalt, enhancing project quality and compliance.

❖ **Civil Engineer, Orascomi Saudi Company** Nov 2015 — Jan 2017

Mecca, Saudi Arabia

Construction of Transit Stations and The First Ring Road - Mecca - KSA

- Led the construction of transit stations and the First Ring Bridge in the expansion of Al Haram Mecca, ensuring timely and budget-compliant delivery, enhancing project quality and compliance.
- Directed the implementation of Kadi Transit Station, Marwa Transit Station, and the First Ring Road Construction, optimizing project costs and schedules, and ensuring adherence to local building codes and safety standards.

Managed infrastructure projects at New King Abdulaziz Airport - Jeddah - KSA

- collaborating with cross-functional teams to develop detailed engineering designs, conducting site investigations, and ensuring compliance with environmental regulations.

❖ **Project Engineer, Ostorat EL-Emar for Constructions** Feb 2014 — Oct 2015

Buraydah, Saudi Arabia

- Construction and Finishing of an 8-floor administrative building in Buraydah - KSA , Led the construction and finishing of an 8-floor administrative building in Buraydah, ensuring timely and budget-compliant delivery, enhancing project quality and compliance.
- Managed the linking of Alashiyab station purification third in Albdia and fifth in Miznb, optimizing project costs and schedules, ensuring adherence to local building codes and safety standards.
