SUMMARY

Highly skilled and detail-oriented Senior Surveyor with over 9 years of progressive experience in infrastructure, roadworks, military construction, and high-rise building projects. Proven expertise in topographic surveying, civil engineering coordination, and GIS applications. Adept in project planning, data analysis, and quantity estimation with strong command of AutoCAD, Civil 3D, and modern surveying equipment. Recognized for precision, leadership, and collaborative work ethic in multinational construction environments. Seeking to leverage my technical skills and field experience in a dynamic and growth-oriented organization.

EDUCATION

DIPLOMA IN SURVEYING ENGINEERING

Arab University College of Technology – Amman, Jordan 2014 - 2016

EXPERIENCE

SENIOR SURVEYOR

JAN-2025- PRESENT

DUTISE AND RESPONSIBILITIES:

- I STARTED WORKING WITH A CIVIL ENGINEERING CONTRACTING COMPANY TO COMPLETE A PROJECT UNDER CONSTRUCTION: A FOUR-STORY CLASSROOM BUILDING FOR A PUBLIC UNIVERSITY IN JORDAN, LANDSCAPED COURTYARDS, AN AMPHITHEATER, AND SEATING FOR UNIVERSITY STUDENTS. I ALSO COMPLETED OTHER FINISHING WORKS, INCLUDING SURVEYING, LEVELING, AND DETERMINING THE LOCATIONS OF MANHOLES AND STAIRCASES.

SENIOR SURVEYOR

Oct 2023 –Dec2024

SAJCO Contracting Company – Riyadh, Saudi Arabia

Duties and responsibilities:

- Led surveying operations on Qiddiya Project including the sports track and main road construction along Mohammed bin Salman Road.
- Coordinated with engineering teams to ensure layout accuracy and compliance with project specifications.

- Utilized total station and GPS tools for high-precision surveying.
- Generated as-built drawings and daily reports for progress tracking.

SENIOR SURVEYOR

March 2020 – August 2023

BKS Construction Company, a specialized contracting – Riyadh, Saudi Arabia

Duties and responsibilities:

- Directed survey works for border airports, including infrastructure for military buildings, roads, and perimeter security systems.
- Supervised junior surveyors and maintained compliance with military and civil engineering standards.
- Conducted terrain analysis, site leveling, and alignment verification using Civil 3D and GIS tools.
- Developed topographic maps and managed construction stakeouts.

LAND SURVEYOR

March 2017 – December 2019

Habash Deir Contracting Company – Amman, Jordan

Duties and responsibilities:

- Participated in the construction of the 25-floor Ritz-Carlton Hotel, overseeing all surveying tasks for structural elements.
- Created elevation and layout drawings in AutoCAD and performed quantity take-offs.
- Verified structural positions and coordinated with MEP and civil contractors.

LAND SURVEYOR

August 2015 – February 2017

Cousins Haymour Contracting Company – Amman, Jordan

Duties and responsibilities:

- Executed surveys for roadworks, bridge and tunnel construction, notably the 160m Salt Tunnel Project.
- Calculated earthwork volumes and prepared excavation/backfill schedules.
- Surveyed and implemented retaining walls and utility corridors.

SKILLS

- | | |
|-----------------------|------------------------|
| ▪ Team work | ▪ Communication skills |
| ▪ Time management | ▪ Positive attitude |
| ▪ Topographic Mapping | ▪ Microsoft Office |
| ▪ Civil Layouts | ▪ Leadership |
| ▪ AutoCAD Design | ▪ Self-motivation |
| ▪ GIS Applications | ▪ Flexibility |
| ▪ Land Division | ▪ Self-Awareness |

- Quantity Estimation
- Construction Surveys
- GPS Equipment
- Volume Calculations
- Site Supervision
- Persistent & Ambitious
- Organizational skills
- AutoCAD
- Problem Solving

TRAINING COURSES

Successfully attended and completed the following courses:

- AutoCAD – Hashemite Square Vocational Center, Jan 2018
- Civil 3D – Hashemite Square Vocational Center, Jan 2018
- Quantity Calculation – Hashemite Square Vocational Center, Jan 2018
- Surveying Course – Hashemite Square Vocational Center, Jan 2018.

LANGUAGES

- **Arabic:** Excellent (Mother Language)
- **English:** Good (Writing & Reading and Speaking)
