
MOHAMED ABDELRAHMAN

Project Manager | Construction & Infrastructure | PMP®

Riyadh, Saudi Arabia | md.gheith@outlook.com | +966 555960142 | linkedin.com/in/mohamed-gheith

PROFESSIONAL SUMMARY

Project Manager with +20 years of experience delivering large-scale construction, infrastructure and landscape projects across Saudi Arabia and Egypt. *Demonstrated success on Vision 2030 mega-projects including Diriyah (Wadi Safar) and Qiddiya*, managing design-build and EPC contracts valued up to SAR +200M. Proven ability to lead multidisciplinary teams of +20 professionals, coordinate with PMC, consultants, and clients, and ensure successful project delivery within budget and schedule. Strong expertise in stakeholder management, contract administration, and project governance.

CORE SKILLS & COMPETENCIES

- Project Leadership & Stakeholder Management.
 - Project Scope & Contract Management.
 - Project Planning & Scheduling | Primavera P6.
 - Project Cost & Budget Control | MS Excel.
 - Project Quality & Risk Management.
 - Manage Project Procurement & Closure Management.
 - Project Presentation & KPI Reporting | Power BI, AI.
 - Strong background in Technical & BIM ISO 19650.
-

FLAGSHIP PROJECT PORTFOLIO | KSA

Diriyah – Wadi Safar (Contractor)

- Multiple Projects (Utilities, Landscape, Building, Gates)
- **Client:** DGCL | PMC: WSP / EllisDon | Consultants: Dar, KBR
- Contract Type: EPC / Design-Build

Qiddiya Project (Contractor)

- Temporary Water Supply (Pipelines & Polishing Plant)
 - **Client:** QIC | DP: Parsons | Consultant: Parsons/dar
 - Contract Type: Design-Build
-

Saudi Arabian National Guard (Consultant)

- National Guard Housing Neighborhoods – Hail & Taif
 - **Client:** SANG | Contractor: Saudi Binladin Group | Consultant: dar, AAW
 - Contract Type: Design-Build
-

PROFESSIONAL EXPERIENCE

- **Project Manager | Technical & BIM Lead**

Saudi Salco Contracting Company | KSA | Aug 2023 – Apr 2026.

Role: Leading infrastructure and utilities delivery in mega projects environment.

Projects Summary (Diriyah | Qiddiya)

- Construction of road, utilities and landscape for northern gateway-Wadi Safar.
- Design and build natural lake at entrance of existing eastern gateway-Wadi Safar.
- Design of water feature (waterfall) at entrance of southern gateway-Wadi Safar.
- Design and build of haul road at southern gateway-Wadi Safar.
- Design and build of Temporary Water Supply Project (Polishing Plant), TSE and PW pipelines-Lower Plateau.

Key Achievements

- Led multidisciplinary engineering and BIM teams (30+ professionals) delivering large-scale infrastructure projects (roads, utilities, landscape) in complex mega-project environments.
 - Successfully supported delivery of projects within schedule and quality targets through proactive coordination and technical leadership.
 - Managed coordination between Client, PMC and Consultants, ensuring alignment and timely resolution of critical issues.
 - Improved schedule performance by identifying risks early and implementing effective mitigation align strategies.
 - Contributed to cost optimization through value engineering, efficient BOQs preparation, and variation management.
-

-
- Directed review and approval of design documents, BIM models, shop drawings, and as-built documentation in compliance with project standards.
 - Supported claims and commercial processes by providing accurate technical data and evaluation of variations.
 - Ensured full compliance with QA/QC standards and project specifications across all phases (design & construction)
 - Led technical coordination meetings with stakeholders, facilitating decision-making and improving project workflow efficiency.
 - Managed project handover process including as-built drawings and O&M documentation ensuring smooth project close-out.
 - Mentored and developed engineering teams, improving productivity and overall project performance.
-

- **Project Manager**

Misr Engineering Development Company [MEDCOM] | Egypt | Sep 2018 – Jun 2023.

Role: Leading infrastructure and utilities delivery in mega projects environment.

Key Projects

- Infrastructure Networks and Landscape Works | Tag City, Madinat Nasr.
 - Garden Heights Landscape Works | Cluster 16, New Cairo.
 - Infrastructure Utilities | Mivida Project, Parcel 1B, New Cairo.
-

- **Project Manager**

Egyptian Union for Contracting | Egypt | Jan 2018 – Aug 2018.

Role: Leading infrastructure and utilities delivery for projects.

Key Projects

- Feeding 1,600 Acre Area with Main Potable Water Network | Badr City.
-

- **Construction Manager**

Hassan Allam Construction [HAC] | Egypt | Aug 2016 – Dec 2017.

Key Projects

- GOE Beni Suef Cement Plant – 6 × 6,000 TPD Clinker Production Lines.
-

- **Site Engineer**

Züblin Egypt LLC | Egypt | Oct 2015 – Aug 2016.

Key Projects

- Port Said Tunnels under the Suez Canal including Shafts and Diaphragm Walls Works.
-

- **Supervision | Design Engineer**

AAW Consulting Engineers & Partners | KSA | Jul 2006 – Oct 2008 & May 2012 – May 2015.

Key Projects

- National Guard Housing Neighborhoods | Hail and Taif.
 - Construction of Main Sewer Lines | Northern Area, Jeddah.
 - Rehabilitation and Improvement of the Wastewater System | Historical and Old Districts, Jeddah.
 - Rehabilitation of Water and Wastewater Systems | Industrial Cities in Jeddah, Riyadh, and Qassim.
 - Water and Wastewater Master Plan | Makkah Al-Mukarramah.
 - Wastewater Studies and Final Design | Additional Areas, Riyadh.
-

- **Tunnel Site Engineer | Construction Manager**

Concord for Engineering & Contracting | Egypt | Jan 2004 – Jun 2006 & Nov 2008 – Apr 2012.

Key Projects

- Construction of Water and Wastewater Networks | Second Zone, 6th of October City.
- Construction of Water and Wastewater Networks – National Housing Project, 6th of October City.
- Construction of Crossings for Transmission Line – New Cairo Water Purification Plant.
- Main Potable Water Lines Construction – New Cairo City Extension (Phase 1).
- Main Wastewater Line Construction | El Amam El Lathy to Misr El Kadima, Cairo (Tunnel Works).
- Main Wastewater Line Construction | El Mostapha and El Atar Streets, Cairo (Micro tunneling Works).
- Main Wastewater Line Construction | Ahmad Badawy Street, Shubra, Cairo (Micro tunneling Works).
- Main Wastewater Line Construction | Hassanein Dsouky Street, Dar El Salam, Cairo (Micro tunneling Works).
- Main Wastewater Line Construction | Under Al Tairan Street, Cairo (Micro tunneling Works).
- Main Wastewater Line Construction | El Gamal Street, El Zawia El Hamra, Cairo (Micro tunneling Works).
- Main Wastewater Line Construction | El Konica, Giza (Micro tunneling Works).
