

ABDELRAHMAN MOHMMED

Senior Civil Engineer

Hail, KSA | +966 532718781 | a.m11552025@gmail.com

Date of Birth: Nov 8, 1992 | Nationality: Egyptian

Membership: Saudi Council of Engineers (SCE)

SUMMARY

Senior Civil Engineer with 8+ years of experience, offering a unique professional background that bridges **Governmental Regulatory Oversight** and **Private Sector Construction Excellence**. Expert in managing full project lifecycles (**Structural RC & High-end Finishing**) while possessing advanced skills in technical plan reviews and **Building Permits** issuance. Highly proficient in ensuring 100% compliance with **SBC** and International Codes, with a proven ability to lead large-scale sites and deliver complex residential and administrative projects on schedule.

PROFESSIONAL EXPERIENCE & RELATED PROJECTS

Senior Civil Engineer | Benan for Engineering

KSA | Feb 2025 – Present

- **Direct** the full construction lifecycle for modern **Housing Projects in Hail**, focusing on structural **RC frames** and premium finishing packages.
- **Manage** daily site operations, ensuring 100% compliance with the **Saudi Building Code (SBC)** and project quality standards.
- **Oversee** concrete pouring and reinforcement inspections, coordinating with consultants for structural and architectural approvals.
- **Conduct** material testing and quality control procedures (**QA/QC**) to ensure durability and safety of structural components.

Senior Civil Engineer | Ministry of Transport (Egyptian National Railways)

Egypt | Apr 2023 – Jan 2026

- **Managed** heavy structural **Reinforced Concrete (RC)** works for the **Upper Egypt Central Railway Transport Hub**, including massive raft foundations and structural slabs.
- **Led** the maintenance and structural restoration of railway stations across **Cairo and Giza**, coordinating with contractors to ensure safety and architectural standards.
- **Directed** diverse finishing activities including masonry, plastering, flooring, and cladding for public transport facilities.

Building Permits Engineer | Cairo Governorate (Ministry of Local Development)

Egypt | Mar 2022 – Jan 2023

- **Managed** and reviewed the issuance of **Building Permits** for residential and commercial structures within Cairo Governorate.
- **Conducted** technical reviews of architectural and structural drawings to ensure compliance with national building codes and safety regulations.
- **Issued** official construction permits and performed site inspections to verify legal and technical adherence to approved designs.

Senior Civil Engineer | Al-Salam Construction Company

Egypt | Apr 2020 – Feb 2022

- **Directed** the construction and high-end finishing of **50+ luxury residential buildings** within the **Janna Egypt** project.
- **Supervised** structural skeleton works and luxury interior/exterior finishing (**Fit-out**) for **Belle Vie** and **Saada** compounds.
- **Coordinated** between complex architectural designs and site delivery to optimize resource allocation and timelines.

Site Civil Engineer | Twopower Contracting Company

Egypt | Apr 2018 – Mar 2020

- **Supervised** the execution of **Reinforced Concrete (RC) frames** and premium finishing packages for **L’Avenir Compound** and urban developments.
- **Controlled** the quality of finishing materials (Plastering, Painting, Marble Flooring) ensuring 100% adherence to architectural specifications.

EDUCATION & CERTIFICATIONS

- **Diploma in Railroad and Railway Transportation** | Egypt | 2023
- **Candidates Preparation Course** | Egyptian Military Academy | 2022–2023
- **Bachelor of Engineering in Civil Engineering** | Al-Azhar University, Egypt | 2016
